Our Soundess Guarantee

Buy and sell with confidence - Credibility and Dependability are important to us.
At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Friday & Saturday Sale and Wednesday Noon for "ShowCase Internet Sale Session" **unless otherwise stated from the block or included in footnotes**. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday in regular session, Wednesday noon in ONLINE portion. **Horses are not sold to pass a post purchase veterinarian exam or "Vet Check" of any type nor is rideability guaranteed. Fresh branded horses are not eligible for return. Examine and shop horses prior to bidding.** What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hit the ground sound on all four, and not to crib. Listen carefully to announcements at time of sale.

Charlie is a big, strong gelding that has a very nice start on him. He stands 16 hands and weighs around 1450 pounds with a good weather lots of bone and foot. We have not needed to put shoes on him. He has been rode by multiple riders in the pens and outside. When being rode outside he has been used for checking cows over rough terrain with rocks, creeks, and bush. Being on the ranch, he has been exposed to dogs running in behind him and doesn't bother his temperament at all. He stands, tied, quiet and loads in a trailer great. He rides off quiet by himself. I think he'd make a great mountain horse, ranch horse or a pickup horse that has enough strength to pull a bull out of the arena and enough run to run down a bronc. Boone is a very nice, all-around horse that just about anyone can ride and get along with. He had a bit of a late start as a 4-year-old, but he has always been an easygoing horse to work with. He takes everything in stride and doesn't get hot or worked up, no matter what the task at hand may be. Standing 15.1 hands, Boone is a smooth-moving, comfortable horse that is easy to ride. He has been used for all aspects of ranch work, including the feedlot, and has been ridden and packed into the mountains on hunting trips. He handles new situations and different jobs really well and has proven himself to be a dependable horse in a variety of settings. Boone has become one of our go-to horses over the last year or so. He rides around collected, has a nice, sweet stop, and is the kind of horse you can count on to take care of his rider. This year, he has also been used as one of our kids' horses and has done a great job with them. His quiet, willing attitude and dependable nature make him a horse the whole family can enjoy. Boone is a good-looking, versatile ranch horse with a great disposition, and he is ready to go to work for you as soon as you get him home. 15hh. Rope horse that is ready to go. Sired by finished cutting horse with multiple greats on his papers like Just Plain Colonel, Colonel Freckles, and Peppy San Badger who are all All-Time Leading Sires of Cutting, Reining and Cowhorse type horses. Has had many jobs and done them all well as he likes to have a job. Money earning heel horse who knows his job. He's quiet in the box but still has decent speed. Hauled to a hand full of rodeos to clear arena and gathered bucking horses. Seen lots of outside miles riding pasture so he's used to long days and wet saddle pads. So he's well versed in gathering, sorting and roping. Really strong sorting pairs at the gate which is where his pedigree shines through extremely well. So he knows what a days work is. He's quiet to be around, good to shoe, and use to dogs and quads. Has been worked with the Smarty quite a bit. That said, he stepped into his heeling role just like you pray a colt with the right foundation would. Really pleased with this horse. He is ready to go for someone who appreciates a horse that goes to work and has athleticism. VIDEO: Contact Seller. FMI: 403-741-5050. Coggins.

Zip is an eye catching horse! He has a real unique color, is built correct, and moves around the arena really pretty. He has been used to trot out and gather cows. And has been around sheep, goats, donkeys, cattle, and dogs with no issues. I have swung a rope on him and the guy that started him doctored calves on him. He has been used to pack salt and is a pretty easy going guy. He is good to shoe, tie, and load. He is easy to catch and enjoyable to be around. Zip is still green and that's due to me being too busy to give him the time he deserves. Put a little time into him and I think he would make a nice little heel or breakaway horse. Zero is a big flashy bay roan head horse! He knows how to run to his spot, very flashy in the corner, and has a good face. He'll take plenty of runs and is super easy to rope off of! You'll never have to get off another day in your life, because Zero is a gate opening master. He swiftly side-passes over and makes a daily task simple! He's spent most of his life being used daily at a large feed yard so he knows a long days work. Not only is he easy to look at, but he's the kind you can use on the ranch in morning then load up and head to a jackpot in the evening. Zero is one that I trust to throw my girlfriend on or lend out to a friend, but he can be watchy and aware at new places so a skilled rider is best suited for him! He stays fat on just alfalfa, and is a pleasure to have in the barn. Zero does have a scar across the front of his chest, but it has not caused him any issues. He is a nice ranch and trail horse and has been started on the team roping dummy. Shad is big, strong and knows how to handle himself through the deadfall, making him an excellent hunting horse. He has been used on the ranch gathering cattle and has also been used in the feedlot, so he is no stranger to working and getting a job done. With more finishing, Shad has the potential to make a really nice head horse. He is easy to shoe, stands quiet to be saddled and is mounting block broke. VIDEO: Contact Seller. NOTES: ONLINE SESSION – DC HOWDY PERKS – 2020 AQHA Bay Gelding x PC LockEmUp Perks x PC Sun Perks out of Stompede Netty x The Advance Man. 15.2hh gelding with all of the looks! Ned was born and raised outside and has been ridden extensively in rough country herding and gathering cattle. He has also been packed on and led pack strings. Ned has good feet and bone, a good mind and is very sound – he has never been lame. He also has never bucked and is not cold backed - same with a week off or 6 months off. He is good to shoe, good to load in a stock trailer, easy to worm, vaccinate, catch out in a big pasture, - bathes and blankets also. Ned is super sure footed and really comfortable traveling out in the big country. He crosses creeks, bogs, logs, climbs up and goes down steep terrain like it is second nature. He has spent way more time out in the big country than in the arena. Ned is started on the barrel and pole pattern and has been used to sort cattle – he will watch a cow. Ned is a nice mix of run and cow with Sun Frost on his papers. He is a very kind horse with lots of looks! He is a quiet horse but has a BIG motor and will walk out! I purchased Ned's Great Grand dam in approximately 1989. I raised his Grand Dam, his Dam and Ned, himself. After 37 years of using this line for making a living, this is still my favorite line. Thug is a prospective heading horse or could be a barrel horse, He has been started in the arena heading but has mostly had all kinds of ranch work done on him. He is good in the branding pen, he's willing to try new things, Thug is an all-day goer type of horse. He is TOUGH. Has a motor but very controllable. Not at all a bronc but not a kids horse. He's a handy cowboy's horse. He moves quickly and surefooted across any terrain. Thug has some trust issues on the ground only that have come from past owners, this is where he gets watchy. He can be hard to bridle, and very difficult to shoe - hind end only. He is hard to worm or give shots. Once trust is there, we have found him to be 90% better. This is the only issue you may have with him. Once you are on him, he is ready to go to work and seems to completely have trust in his riders. My wife enjoys just riding him, my teenage boy has learned to rope on him out in the open. He is a very broke and ready to go all day type of horse. Badger is a standout 16.1hh gelding with the kind of real-world ranch experience buyers look for. He's the horse you can saddle up and get a full day's work out of; sure-footed in rocks and timber, confident in rough country, and strong on the rope. His solid bone, good mind, and no-nonsense attitude toward cattle make him a reliable partner for roping yearlings, gathering strays, and handling whatever job needs doing. Badger rides out alone willingly, stands tied quiet, is good for the shoer, and stays respectful in a cavy. He does best with routine farrier care and will likely benefit from corrective shoeing and/or knee injections. He has cosmetic scarring on the right side of his neck and in his bridle path. My oldest daughter rides him on the ranch and breakaways on him and my youngest daughter at 10 years old ropes the dummy and slow cattle on him. I have heeled a lot of steers on him and been to the jackpots around the area and WTRC. I even have roped on him with no bridle on!!! That's how much I trust this horse. I think he would fit a rider that is starting out or a young kid that is roping or learning to do cattle work. I have a lot of videos!!! Don't be afraid to call or text if you have questions. The old saying goes, A lucky man gets three things in life. One great woman, One great dog, and One great horse. A once in a lifetime kind of great horse. She is by the great LDR Whiskey and out of a daughter of San Shorty Prom (by Zoom Zoom Shorty). She combines the athleticism, handle, and stopping ability of a cow horse with the stoutness, bone, muscle, and eye-catching look of a Gypsy Vanner, making her an exceptional all-around ranch, rope, and family horse. She is a beautiful red roan with a phenomenal mane and tail and turns heads everywhere she goes. More importantly, she is genuinely quiet, incredibly versatile, and extremely broke. She rides in a full bridle, takes the bit without hesitation, saddles quietly, and has never bucked, reared, kicked, bit, or humped up. She is easy to catch, easy to shoe, an easy keeper, has never colicked, and is the kind of mare that stands quietly when asked and then gives you 100% of her effort the moment you go to work. She has an exceptional handle and a tremendous amount of natural ability. She has been patterned as a heel horse and makes a clean, collected corner before finishing exactly where she needs to be on the steer with a solid stop. She has also been extensively used outside, including 20+ mile days gathering and sorting cattle, and she simply does not run out of gas. She has branded a ton of calves and is a professional in the branding pen—so stout that you can hardly feel a 5-weight calf behind you when dragging one to the fire. FMI Cody Flowers 775.299.6953. NOTES: ONLINE ~ ROPE SESSION – Tag is a beautiful gelding that stands 15.1. I raised this gelding and trained him on our ranch. He has done everything under the sun. We have picked up broncs on him and ponied colts. He has packed novice riders around trail riding. He is also a finished head and heel horse. We have been hauling him to pro rodeos, and he consistently wins a check wherever we take him. This horse scores like a rock and has all kinds of run and can face with the best of them. Tag is one of the last colt crops by my old Bartender Joe Jack stud. This is a once in a lifetime find that will take you to the pay window. He is absolutely gentle for anybody, sound and no vices. NOTES: ONLINE SESSION – Talk about a horse that turns heads! Grand Kingdom is a beautiful palomino gelding with all the chrome you could ask for—three high white socks, a long flowing white mane and tail, and a look that gets noticed. But Steve is much more than just a pretty face. An own son of One Time Royalty, Steve has been in our program since he was a yearling. He was started here and has been brought along with a focus on becoming a talented cow horse. He has a big stop, a nice lead change, a great handle, and plenty of speed when you ask for it. He can easily rate back down to a slow, comfortable lope. Steve is an athlete that shines outside of the arena. He has been exposed to daily ranch work and riding outside, making him a versatile prospect with a good mind and plenty of experience. With his speed, stop, athletic ability, and natural talent, we feel Steve has all the pieces to become a big-time show horse and a serious rope horse prospect. He has a big personality, a kind nature, and is 100% gentle and sound. He has the tools, and now he is ready for someone to take him to the next level. Steve is eligible for NRCHA, NCHA, and most major rope horse incentives, giving his next owner even more opportunity to take advantage of his talent and athletic ability. Beautiful. Athletic. Talented. Versatile. Steve is the kind of gelding that catches your eye—and then keeps your attention once you ride him. Find his video on Youtube - KPH Grand Kingdom. VIDEO: Contact Seller. Sherman
2017 Grade Black Quarter Pony Gelding
McNabb Livestock LLC Cody, WY

13hh. Sherman is that true unicorn pony that is so hard to find. He is absolutely a babysitter for the most beginner, timid rider yet he will easy lope slow correct circles for our 5 year old daughter. He has a super smooth rocking chair lope and easy riding trot. He has given her so much confidence to lope and trot a "big horse". Our neighbor's boy is 6 and a timid rider, we hand him Sherman and he has so much fun riding him out gathering the cows and playing with Sherman. Sherman has a true one handed neck rein, is easy to steer and handle for the little kids. He has been rode in town. He is just so solid broke. He is more whoa than go but will easily walk, trot, lope and stop. Whether it's in the arena, down the trail, out on the ranch or in town Sherman is the same horse everywhere he goes. Our 12 year old son has both drug and roped the roping dummy with him. He goes through the obstacle course with ease. He takes time off well, saddles up the same every time. He is easy to catch, gets along well in a mixed herd and gets along will all the other animals including pigs, llamas, goats and poultry. Sherman is good for the farrier. He is up to date on vaccinations and age verified by the vet. VIDEO: https://youtu.be/_eoq4ohszIY?si=DWlXsqtV6rmIIhxo FMI: 307-250-0900. Coggins.

Skeeter
2023 Grade Gray Brabant/Quarter Cross Gelding Kera Washburn Altamont, UT

Skeeter is a big cool Brabant/QH cross with a lot of look, ability, and a great mind. He has a lot of experience for his age and could excel in so many directions. He stands 15.3 with a heavy build and good big feet; he's the right size for most any use. He is amazing on the ranch, in the mountains and the arena as well. Skeeter has a smooth floaty way of moving, and is fancy broke with a good stop, turnaround, and beautiful circles. He rides right up in the bridle and is responsive to the rider's cues. He isn't easily offended and could be a stand out pickup horse at the rodeos, a pony horse on the racetrack, ranch horse, trail horse or about anything else you could want. Skeeter has a people loving personality, has never offered to buck or hump up, and is easy to love. He crosses water, downfall, mud, thick brush or anything you point him at with ease. He travels smooth and steady all day but is never hot or on the bit. He hobbles well and stands tied all night without a fuss. Skeeter has been roped on enough to handle himself and the cattle well. He will run one down but always stays quiet and easy to ride. He has seen long days working pens at the sale barn and is always a willing partner. On the trails, he is a perfect gentleman and travels anywhere in a group or out alone with ease. He has good ground manners and is easy to catch, bathe, clip, shoe, trailer etc. With Skeeter the possibilities are endless, he might be just the fit for your lifestyle. Chelsea Farnsworth Kimberly, ID

Looking for a well-rounded gelding that you can actually use? This handsome 2017 gelding is the kind that is hard to find! He has been ranch on, roped, doctored, gathered, sorted, trail ridden, hauled, and exposed to many different environments. He was started in the box heading, heeling, and breakaway as well as on the barrel pattern giving him a great foundation for someone looking for a horse with plenty of options. Whether you want to spend the day ranching, rope some cattle, sort, hit the trails, or take him to town, he is ready to go to work. He is always the first one to greet you at the gate, stands quietly for the vet and farrier, and hauls great. On the trail, he will confidently go anywhere in the group. Up to date on vaccinations. Regularly wormed. Current on routine veterinary care. Chiropractic care kept up to date. No regular maintenance required. Currently shod due to the terrain we ride, but can comfortably go barefoot. Teeth floated within the last year. Blueberry Shy Guy "Berry" is being sold as a grade gelding due to difficulties transferring his papers following a change in ownership of the ranch that previously owned him. If you're looking for a genuine using horse with experience and the versatility to do a little bit of everything, this gelding deserves a look. Ranch. Rope. Sort. Trail. He's been there and done it. A good-looking, willing gelding that is ready to find his next job and his next person. Come meet him—you'll likely be greeted at the gate! VIDEO: Contact Seller. FMI: 208-539-9722. Coggins.

NOTES: ONLINE ~ ROPE SESSION – Rita stands at 15.2 hands of muscle and absolute beauty. You can't go wrong with a mare that's bred to do whatever you want and has probably already done it. Rita is a Youth/Adult/Competitor Deluxe. Never mare-ish, gets along with everyone. We have owned her since she was a yearling. So we believe we know her inside and out. Rita is a great head horse. Quiet and steady in the box. Quick to the steer, has great rate. Pulls like a train and faces snappy. She has also been used by the littles in the steer stopping. That means she will wait and go at turtle speed if needed. Rita is one heck of a pole and barrel horse. This mare is gritty! But always walks in flat footed and out. She runs in a Jr. cow horse bit. She's made money at the rodeos, jackpots, and paydays. She's also been shown at the 4-H fair. A few other things she has done in her 6 years of life- rode in parades -been a flag horse at rodeos-been in the mountains -been to CowCamp -trail ridden down roads and over bridges -won several buckles in roping, speed, and ranch classes. Things I think she would excel in with minimal time- Packing, breakaway roping, and or mounted shooting. Rita is always easy to teach. I truthfully think there is nothing this horse can't do- and do it well. Another check is she is easy to catch, sturdy, and 100% SOUND! She is up to date on all vaccines, wormings, dental, and farrier. For more pictures and videos please go to Braska Horse and Pony Training on Facebook. VIDEO: Contact Seller. FMI: 517-983-0112. NOTES: ONLINE SESSION – Slyng Blade is the kind of horse every family wants in their barn. This 7-year-old sorrel gelding is an own son of High Brow Cat, an NCHA money earner, and a real-life movie star, having been featured in the hit series 1883. He has the talent and experience to be the boss's go-to horse, while his honest, gentle nature makes him enjoyable and dependable for riders throughout the family. Standing 14.3 hands tall, Slyng Blade is stout, good-footed, and has plenty of bone. He is smooth, gentle, and has all the buttons. Ride him in a bridle or ride him with nothing at all—he is going to do his job. There is no funny business with this horse. He is honest as the day is long and will take care of his rider. He has been used to gather cattle off sections in Arizona, trail ride in Minnesota, pasture rope cattle, and handle all kinds of ranch duties with ease. He is just as comfortable working cattle in the arena as he is riding across the wide-open country. Slyng Blade has also been used to teach actors to work the flag and cut cattle. At home, he has earned plenty of buckles and checks in ranch sorting, team penning, ranch rodeos, and club cuttings. This is a true boss's horse. Deputy has the talent and experience to help the boss get the job done, but he is also the kind of horse that will take care of his wife and ride down to the grandkids. Whether you are checking cattle, working the ranch, heading to a competition, taking the wife for a trail ride, or letting the grandkids enjoy a ride, Deputy is the kind of horse you can count on. He is the horse the whole family can enjoy and trust for years to come. 100% sound and gentle. For more information call 320-905-3914. Find his video on Youtube - KPH Slyng Blade. NOTES: ONLINE SESSION – Have had this mare for almost three years now bought with the mind to breed but ended up just getting rode instead. She's runs really hard and is really cowy and will rate one. Has all the stuff to be a stand out head horse but a saddle wants to slide back on this mare when pulling a steer or dragging a calf and she will come in half and buck. Very aggressive mare. She'll pick up both leads and slow lope as smooth as anything you'll ever ride. Great to shoe and be around. Not patterned but might be your super star in the barrel racing world.VIDEO: Contact Seller. FMI: 406-680-2299. Coggins.

NOTES: ONLINE SESSION – 15.3hh. Big, Beautiful, Kind, and Fast. Conformationally correct. Great bone, straight hocks, knees, legs, and feet. Totally sound. "Flynn Ryder Frying Pan" is what our kids named him and it stuck. As a 2 year old he had 60 days professional training and has a great foundation on him. Excellent response to leg pressure and nice handle on him. Has never offered to buck. I rode this horse on the mountain numerous times as a three year old and he was fantastic. Confident and walks out great. My kids ride him around in the arena with no issues. As a 4 & 5 year old he mostly sat around due to kid's baseball and sport schedules. I have patterned him on the barrels and he is ready to start adding speed but I haven't had the time to continue on with him. This horse is not only bred for speed but has a great cowbred line on the dam side. His dam is one of the most amazing horses you will ever watch go thru a pocket - tons of flex, power, and constant forward movement. I anticipate Flynn to be very similar once he is finished. Flynn is extremely powerful with lightning speed and yet can really handle himself. Flynn has big moves, is not mean but in my opinion is too much for any beginner to think they will take and make this horse. Flynn shoes, trims, and ties. I have bred for over 40 years and was hoping for a mare but got Flynn. I am wanting to sell and put the money into another mare. VIDEO: Contact Seller. FMI: 307-899-7755. Coggins.

NOTES: ONLINE ~ ROPE SESSION – Beautiful, extremely well-made buckskin mare with an exceptional combination of athletic ability, talent, and a kind disposition. She has excelled in heading, heeling, and breakaway and has the ability and mind we look for in a performance horse. Unfortunately, veterinary evaluation determined that she has long-term soundness issues that prevent her from being suitable for a performance career. Littleton Vet Clinic has confirmed her soundness concerns, and X-rays are available upon request. She is being offered trail and broodmare sound. This mare has a lot to offer the right home. Her conformation, athleticism, looks, and kind disposition make her an excellent candidate for a breeding program, and she would also make a nice trail horse. We are happy to provide additional information and veterinary records to interested buyers. VIDEO: Contact Seller. FMI: Chad 605-208-6399. Coggins.

NOTES: ONLINE ~ ROPE SESSION – FERABULOUS is by METALLIC REBEL, NCHA Horse of the Year and earner of more than $438,000, and out of FERRAREY, a $147,000+ earning daughter of DUAL REY. FERABULOUS is also a full sister to FERROCIOUS, an earner of more than $90,000 and NCHA Limited Non-Pro Futurity Reserve Champion. In addition to having some of the most sought after bloodlines on her pedigree, Ferabulous is one of the most talented horses we have ever had the opportunity to swing a leg over. We've been heeling on her in the arena, been used extensively on the ranch, branded hundreds of calves, been ridden in big rough country, and worked/doctored cattle in the feedlot. She is quick-footed, naturally cowy and extremely athletic, with the ability and versatility to finish at the top in any direction she is taken. She is a push button type of horse that's broke in the bridle and moves off your feet with ease. Ferabulous has also proven to be very consistent. Whether she has had six weeks or six months off, she saddles up and goes back to work. She has never offered to buck and is the same horse every time you saddle her up. She has the skill and foundation to develop into a top of the line cutting, heel, breakaway or calf horse, while already having the ranch experience and outside exposure that can be hard to find in a horse with this kind of pedigree and athletic ability. When her performance career is finished, FERABULOUS has the genetics to be every bit as valuable in the breeding barn. She has a small cosmetic scar on her head from when she was a colt. Scar is purely cosmetic and does not affect performance or soundness in any way. Here is an opportunity to own an exceptionally talented mare, with some of the most sought after bloodlines on her pedigree that has all the buttons to perform at a high level, or be the fanciest mount on the ranch. A pretty well-bred palomino mare that was home-raised. She was ridden for 30 days as a two-year-old, then went on to become a broodmare and raise several colts. We are downsizing, and after she lost her colt this spring, we gathered her up and started getting her back into consistent riding in June. This mare is kind and gentle on the ground. Under saddle, she still has a ton of feel and a huge stop for how green she is. She has a lot of potential and is coming along nicely with consistent riding. VIDEO: Contact Seller. FMI: 209-499-7955. Catan
2021 Grade Buckskin Draft Cross Mare
David Schrock Garrison, MT

15.1hh. Catan was born and raised on the ranch and has done all the ranch chores from the branding pen to doctoring yearlings in the pasture and has trailed lots of cows. Catan has spent lots of time in the hills, trail riding, and overnight pack trips. She crosses water, bridges, and downed timber with no issues. She has had limited time in the arena, lopes nice collected circles and knows her leads and moves well off seat and legs. She is good to shoe and bathe, will meet you at the gate, and is a faithful partner all day. Don't miss this flashy, good minded girl that will do it all. VIDEO: Contact Seller. FMI: 406-380-1154. NOTES: ONLINE ~ ROPE SESSION – River has about 6 months of cowhorse training and knows all the reining maneuvers, a beautiful flying lead change and a great cow sense. The last 2 months she has started roping out of the box and is showing a lot of potential as a head horse. She has also been used in the branding pen, and is always our first choice to go gather our mountain pastures. River is always ready to go to work, and game for whatever you ask of her. She has a big motor and a ground covering stride, but never offers any funny business. River has been hauled to a variety of different show settings and always keeps a level head. Her first show was the NILE Gold Buckle Futurity, where she ended up Reserve Champion in the 2 year old Futurity and Champion in the 2 year old Trail Futurity out of 18 horses, taking home a check for $1016.81. Her 3 year old year she showed in the Junior Ranch Riding at the Arizona Sun Circuit, as well as a few local Ranch Versatility shows. Sound, no vices, and good to shoe. NOTES: ONLINE ~ ROPE SESSION – Barn name and registered name… Meet Carl! His name is easy and fitting just like him! Carl is a mellow, easygoing and well very handsome gelding. He stands 15.3 hands and weighs all of 1200 pounds. He's a favorite at our house because he fits everyone. Whether you want to go cruise around on the trails, lope around in the arena or go team roping he's happy to do it all. Heading, he is a "fit all" head horse. If you want one just to kick to the hip and turn steers on, or take him to the high number ropings, he has the speed, agility and the demeanor to. We have used him to push colts in the round pen and snub up colts to put their first ride on he really is the whole package. He stays fat on alfalfa, is easy to shoe, bathe, tie, haul and load. We don't have a single bad thing to say about him and we hope the next family enjoys him as much as we have! VIDEO: https://youtu.be/0MKqr4kCHJc?si=Us7ZOUITYdhwfx4M FMI: 360-798-9042. Coggins.

NOTES: ONLINE SESSION – We've owned the mother to this colt for years. She was one of our top show mares, we rode her until retirement. She's jet black with a beautiful head and a lot of bone and foot very sensible, eager to please and gentle. This colt has had about 70 rides on him. He has got a lot of bone, foot and shape and would make an excellent ranch stallion. The sire to this colt is about a 97% Roan producer. NOTES: ONLINE ~ ROPE SESSION – Head horse - Heel horse - Ranch-raised. Snuff has been used in a variety of real-world situations. He has been branded on, chased cows, and doctored cattle in the pasture, giving him plenty of experience outside the arena. He has also been roped on at jackpots and futurities as a 4- and 5-year-old, primarily on the heel side. Snuff spent last winter in Arizona and has continued to get hauled and used. He is not a beginner horse. With time off, Snuff can get cinchy, so he needs a rider/roper who is experienced and knows how to handle him appropriately. Snuff will be at the Wrangler Finals in Billings, Montana, September 22–24, getting roped on. Come watch him work! VIDEO: https://youtu.be/QweFnDUmncw FMI: 780-349-1427. Coggins.

He's been used to pair out first calf heifers, head and heeled branded off of, trailed cows through rough country, been shot off of, and carried a flag. For a three-year-old, he has had a lot of exposure and has been taking everything in stride very well. He has never bucked even when being started and saddles up the same every time. He's not fresh with time off. This horse has a business mentality and wants to work. He's also good to shoe and wears an 0 all the way around. He currently stands between 14.3 and 15.0 hands tall. Bagheera is bred to be big and fast so you'll never have to worry about getting outrun by a cow. He has been showing us potential to make a good head horse prospect. Blueberry is a beautiful blue roan AQHA mare. She has been on the ranch since she was a weanling. She stands around 14.2 hh and is five years old. She is a nice shapey mare with a good working foundation. She has been used to gather pairs and yearlings, sort in the corrals and rope and doctor a few calves. Blueberry travels well through deadfall and is sure footed in heavy brush. She has hard black feet and can be ridden barefoot through rocky and steep country but is good to shoe. She crosses water and bridges without any issues. More whoa than go and has a soft handle. If she has time off, she might be sensitive on the ground or hop around a bit under saddle, but is never mean about it. She is solid to ride and a nice mare to be around who has a whole life ahead of her. VIDEO: Contact Seller. FMI: 775-340-5190. Coggins.

14.1hh. Sarah is a handy mule to have around the ranch or in the mountains. Whether you're doctoring cattle or using her to pack out an elk she's doesn't mind. She's smooth on her feet, and is the most willing mules I've ever ridden. Four years ago, I got her from a good friend that used her as his personal pack mule on a hunting outfit so she is well seasoned to anything you throw at her. She's the one that will keep u safe in a bad situation and make sure u reach your destination. Sarah isn't fast enough to make a high caliber heel mule, but she's fun to pull out and use in the practice pen. She's calm in the box and gives you a great shot every time! Every morning Sarah is the first to greet you and will be sure you hear her to get a bite of grain. She's not the best with her feet, but if you take your time she's easy to get shod. She'll jump into any trailer, stand tied, and is easy to bathe. VIDEO: https://youtu.be/XGjyo0_Orak?si=VrFVfTmFO2wUfV6t FMI: 360-798-9042. Coggins

2018 Grade Black Pony Gelding
Roy Donley Sheridan, WY

48" tall. Jet has been my son's go to mount for the last 3 years. He has outgrown him and it's time for him to be some other little cowhands mount. Jet is a very broke little pony with a good handle. Loads and hauls in trailers great! He has gathered lots of cattle, roped and drug calves at brandings, roped calves outside that needed doctored, side passes and gets gates like a big horse. He's been into all the antics that a kid can get up to. Honest and the same every day. Check him out on Facebook at Donleyfamily Horses. NOTES: ONLINE SESSION – Shortcake is a Ranching Heritage-nominated mare raised on our ranch and started in a cow horse program. She has a big stop, a fancy turnaround, and the kind of foundation that makes her stand out. She has been ranched on, knows what it means to have a job, and has the ability to go on in several directions. Shortcake would make a very fancy calf horse or heel horse prospect, with the talent and look to get noticed wherever she goes. This mare has all the ability to take you to the pay window—she just needs someone to finish bringing her along and make her great. If you want one that turns heads and has the tools to match, Shortcake is worth a serious look. www.swensonmartinhorses.com or call 701-891-1771. VIDEO: Contact Seller. FMI: 701-891-1771. Coggins.

NOTES: ONLINE SESSION – Chuck is a great ranch horse. At just four years old, he has that "been there done that" demeanor. He has been used all over the ranch from moving cows to the branding pen and in the working alleys. While the majority of his roping experience in outside in the pasture, we think he would be a great head or heel prospect. He tracks a steer wonderfully and has the speed to get you there. He has a nice lope, side passes and anybody can ride him. Standing at a solid 14:3hh, he can go for hours herding cows, riding trails or simply whatever you ask of him. Started as a 3-year-old, Lil Wayne stands at 14hh and comes with the components you'd expect of a prospect with a ranching, roping, and cow horse purpose in mind. NOTES: ONLINE ~ ROPE SESSION – The type of horse your whole family can ride. Style is a quiet, willing, exceptionally minded gelding with the personality everyone hopes to find. He has a true puppy-dog personality and is incredibly easy to get along with. Quiet, kind, and willing, he is the type of horse that makes you enjoy getting on every day. Style has been hauled all year to barrel races and is coming along nicely on the head side as well. He has been to a handful of jackpots and continues to gain valuable experience every time he goes. Outside of the arena, Style has also seen plenty of real-world miles chasing cows through rough terrain, including bushes, creeks, and hillsides. He has been exposed to the kind of country and experiences that build a solid, dependable horse. But what really sets Style apart is his versatility and mind. Your little one can gymkhana on Tuesday. Mom can barrel race on Wednesday. Dad can team rope on the weekend. One horse. Multiple jobs. Style is very trainable, catches on quickly, and has an amazing mind for his age. He is willing, wants to please, and has the attitude to continue progressing in whichever direction his next rider wants to take him. Whether you're looking for a family horse, a barrel horse, a rope horse, or simply a nice gelding you can enjoy, Style is the kind you don't come across every day. You won't find many like him. Style will be at the Wrangler Finals in Billings, Montana, September 22–24. VIDEO: https://youtu.be/mRrSBik3Krs FMI: 780-349-1427. Coggins.

Kay exemplifies many of the goals of my father, Allen Robinson's breeding program; trainable, sweet disposition, good feet & bone, with the size and endurance to go all day in big country. Ranch raised, started by us as a 2 YO, lightly used on our place last year and this summer has become the top horse in our handy friend Jacoby Fisher's string. She's extremely sure-footed, has been used to doctor yearlings and brought calves to the fire in head and heel brandings. Beyond being an asset on the ranch, she offers tons of breeding potential with many proven performance horses such as Wilywood, Peppy San Badger, Sun Frost, and Blue Valentine in her pedigree. Dad bred many quality horses over the years that are working on operations across MT and a past high-seller at BLS. "Kay" continues that tradition and will excel in whatever direction you choose to take her. VIDEO: https://www.youtube.com/watch?v=tk_kQ_bNYwI FMI: Lacey Fahrmeier 816-392-5411. Coggins.

She is enjoyable to ride and solid in any terrain. Sunny has been started on dummy in arena for breakaway, but has been roped on out in open areas in many different ranching situations and is great. She does not enjoy the tightness or pressure in a branding pen. Sunny is great to shoe, worm, clip and is fine with shots. Savvy is a 7 year old bay roan mare that has been there done that. If you're looking for a junior high or high school rodeo horse, college breakaway horse, all around riding horse, or the inbetween, Savvy is the one! I've got countless videos of this mare. I've had her since she was a yearling and she means a lot to me. She is sound, she's been hauled all over the place, she's never offered to buck, and she's ready to be someone's number one! The videos have countless runs in the breakaway in no particular order and going back to very early on in her career. There's also videos of her cruising through the barrel pattern, poles, and stepping off to tie goats. I wouldn't say she's by any means finished in the barrels, poles, or goats, but you can see what she is and I don't think it would take much if you wanted to make her an all-around horse. This mares been in two parades, two ranch rodeos, and countless rodeos and jackpots. I've made quite a few horses since her and she's not the most fancy broke but she does stop nice, know how to turn around, and she's been asked to change leads some. She could probably make it through a high school rodeo cowhorse run if someone wanted to give it a try. The only vice I'd say this mare has is that she can be insecure on her own. I didn't haul her alone a ton so she didn't have much of a chance to be good about it. She's really sensitive in the face, she's not a horse you're going to have to do too much pulling on. She can be a little strong in the box but as long as you score at home and take the time in practice she should be fine. You can see in the videos my nieces have rode her and I've done just about anything you can think of with her. This mare hasn't had any major injuries, I've never injected her, and she's been sound footed. If you would like to try him before the sale, please contact Paul. Shiner is a favorite at the house with his kind disposition and great personality. He will always be the first one to meet you at the gate. He will stand still when using a mounting block. He opens gates easily. He loves his baths, stands quiet when a livestock blower is used to dust off before brushing or drying after a bath. Stands well for a farrier, easy to load and hauls well. He is UTD on his vaccines. He is wearing PLR shoes as maintenance recommended by my vet for a cyst on his right front navicular bone. He requires no other maintenance and has always been sound since I have owned him. The only reason I am selling him is because he is a much higher caliber head horse than I need. I would recommend that he go to an experienced roper. He is all business when he backs into the box. Junior
2017 Grade Sorrel Gelding
William Neves Hockessin, DE

Junior has been raised on a ranch in central Utah. He grew up traveling the high desert and mountain country alongside his dam, learning early how to handle rough terrain and long days outside. When his owner retired from the military, Junior made the trip east to Delaware, where he has spent the past six years boarded with a family involved in rodeo at Cowtown Rodeo, the oldest continuously running rodeo on the East Coast. Junior is well broke with a good handle. He neck reins, spins, stops hard, and has been exposed to team roping on both live cattle and the sled. He can be roped on, but is not being represented as a finished rope horse. He has also spent plenty of time outside the arena trail riding, crossing water, going over obstacles, and riding through different terrain. He is a very friendly, easy-to-be-around gelding with good ground manners. Junior is easy to catch, stands well for the farrier, bathes, saddles, and bridles without issue. Junior has a small old cinch sore on his left side and underneath his belly, along with a small scar on his left hind leg. Neither affects his soundness or performance. From the high desert and mountains of Utah, to the East Coast following a military retirement, Junior has had a unique life and a lot of different experiences. He is a good, honest, well-broke gelding that would make someone a really nice all-around ranch, trail, or recreational horse. VIDEO: https://www.youtube.com/watch?v=iBAdds-TQ_s FMI: 571-215-6274. Pistol is a horse that is safe, sane, and ready to fit into anyone's program. He might be young, but GENTLE is his middle name. He stands 15 hands, is solid made, and pretty as well. Pistol comes across the pasture to be caught and is always in your pocket wondering what you're doing. He has great ground manners and is easy to handle in every way. He has ridden circles on the ranch, drug calves to the fire, and done overnight pack trips into the mountains. He is a solid, experienced, point and go sort of horse. He is fun to ride every day, no matter if you're a novice rider or experienced; he will work to your level. Pistol has plenty of arena experience as well. He lopes nice circles, stops hard, and turns around well. Pistol will side pass to a fence, rock, or anything else for you to get on. He works gates, is responsive to your feet and rides up in the bridle nicely. If you need a horse that's safe, solid and will last you many years; Pistol fits the bill. Iceman is a fancy buckskin standing 15.1 with good breeding, a great start in life and a lot of ability. We have used him in the mountains, on the ranch and in the arena as well. He travels out well with a nice stride and an easy way of going. Iceman has good manners, is easy to handle, and is wanting to really ride around nicely but he's a little behind for his age; therefore, isn't suited for a novice rider just yet. If you're looking for a horse with a lot of ability that can go any direction from the arena to the ranch, then take a look at Iceman. He is ready to take home and finish the way you want. He does have an old scar on his left hip, but it causes him no trouble. VIDEO: https://youtu.be/Y-8H2Dj4_SI FMI: www.washburnperformancehorses.com Kera Washburn 775-761-2626. Coggins.

Houston
2022 Grade Palomino Haflinger Gelding
Kristin Mulhall Fresno, OH

Houston is an eye-catching Haflinger standing just over 14 hands. With his rich golden color, flaxen mane and tail, and striking blaze, he is sure to turn heads wherever he goes. Houston is exceptionally versatile and very well broke to both ride and drive. In the arena, he is soft, responsive, and picks up both leads. Ride him English and he carries himself in a nice frame while responding well to leg cues; switch to Western and he will travel quietly on a loose rein with a nice neck rein. He side-passes to open and close gates and will even side-pass over to the mounting block for easy mounting. Houston is also trick trained and will lay down on cue. In harness, he is experienced and dependable, with miles driven on busy roads and around traffic. Whether you want to hitch up for a drive or saddle up for a day on the trails, Houston is ready to go. He is not a sluggish Haflinger—he walks right along and has no trouble keeping up with the bigger horses. Houston currently lives outside in a large pasture with a group of horses, so he may have an occasional minor bite mark from everyday pasture life. He is branded on his left hip and currently wears shoes all the way around because of the terrain where he is driven, although he can go barefoot on softer ground. Houston is a handsome, capable gelding with the training and versatility to be enjoyed in a variety of disciplines. We will have more photos and videos of him closer to sale time on his page at www.twilightfarms.net/houston VIDEO: Contact Seller. FMI: 740-552-9538. Coggins.

Clyde is a fun little draft/pony cross gelding. At 14.1 he's easy to mount yet has the stride to keep up with the big horses. Clyde has been everywhere from the big country to the cornfields and has remained dependable every step of the way. He saddles up honest after time off and will ride off by himself just as well as he does with a group. Clyde has a fancy neck rein and is soft to the bit and in his sides. He's done all the ranch jobs and really enjoys cow work. I've used him to pony colts and work other horses twice his size, and he always stays strong to horn and isn't afraid to push one around. This gelding is best suited to an intermediate rider, but has been ridden by beginners supervised and got along great. This is a seasoned individual who's ready to be your next partner for the ranch or trail. Clyde has a small lipid deposit in his right eye from a healed ulcer. It does not affect his vision. GENTLE - GENTLE – GENTLE. If you're looking for the kind that's hard to find, here he is. This 11-year-old gelding is the definition of gentle, dependable, honest, and confidence-building. He was exactly the horse our daughter needed to build her confidence, learn, and grow on. She has now moved on to the next level of horse, and it's time for him to do the same job for someone else. He is a finished barrel horse and will run anywhere from the bottom of the 1D to the 3D, depending on the rider and how much you ask of him. He would be a great fit for an older lady wanting a safe, enjoyable horse to weekend barrel race, or a youth rider looking for one to learn on, build confidence, and start becoming competitive. He'll go at the level you ask of him without making things complicated. And he is so much more than just a barrel horse. He has carried flags at rodeos, been used as a pickup horse, trail ridden, gathered cattle, and handled all kinds of everyday ranch duties. He's seen the sights, knows what a day's work is, and takes everything in stride. Ride him every day or let him sit for months—he saddles up and rides off the same every time. He is laid-back, willing, loves attention, and genuinely wants to please. He loves being loved on and is the kind that quickly becomes part of the family. Whether you want to barrel race on the weekends, find a confidence-building horse for your youth, trail ride, gather cattle, carry a flag, or simply have a trustworthy gelding around the ranch, he can fill the job. Gentle. Broke. Versatile. Confidence-building. Dependable. He did exactly what we needed him to for our daughter, and we would love to see him do the same for his next rider. Amigo is a cool buckskin gelding. He's got all the shape, bone, and color! Rides around nicely, picks up his leads, side passes, soft in the bridle, lopes and trots nice circles, natural big stop and smooth turnarounds. Rides outside, in the arena, and the kind that goes where you point him. Laid back and takes everything in stride. Has never offered to buck, saddle him up and go with no worries. Currently stands 14.1hs, good with his feet, easy to bathe and clip, loads and ties without fussing, and would make a cool arena prospect or go work on the ranch. Chuck is a great ranch horse. At just four years old, he has that "been there done that" demeanor. He has been used all over the ranch from moving cows to the branding pen and in the working alleys. While the majority of his roping experience in outside in the pasture, we think he would be a great head or heel prospect. He tracks a steer wonderfully and has the speed to get you there. He has a nice lope, side passes and anybody can ride him. Standing at a solid 14:3hh, he can go for hours herding cows, riding trails or simply whatever you ask of him. Budd is a grey gelding that we started early this spring and he should have about 120 days by sale time. He's stout as could be and should finish out to be about 15-15.1 hands. This gelding is a grandson to ONE TIME PEPTO who produced offspring with nearly 29 MILLION in earnings. He's sound and ready to head in any direction you choose. Our program is mostly cowhorse prospects and this colt was very enjoyable to start and ride. He'd make a great head/heel horse, cowhorse, ranch riding horse, or using horse. He's got a nice lope, stop, turn around, he's been worked on the flag, and he's great to be around. We will have roped the helomatic and donkey by sale time also. He's been very honest and he hasn't offered to buck. We've rode him out quite a few times to check/move cows and he's been great. He's use to dogs and he's been hauled quite a bit for a 2 year old. He's also been shod a couple times and he's good about it. This horse will make someone a lot of money when he's got some more time and age on him. Emphasis on how kind this horse has been, he was great to start and my husband let me steal him a couple days to move cows (I'm 6 months pregnant and he was great). He's barely turning grey, he will be the perfect color by the time he's finished out. He's got all the qualities of a super nice prospect. Don't miss out on this one. She's one of our favorites around here and has proven herself over and over. Maria has helped us halter break colts and burros, making her a dependable and trustworthy partner around young stock. She has been to town several times and doesn't mind the traffic, commotion, or distractions. From crossing painted lines down the streets of town to navigating deep mountain creeks and rough country, she takes it all in stride. She has NO buck, doesn't need to be ridden constantly to stay broke, and is hobble broke and high-line broke.
