March/April 2022

Uniquely. Billings.

Draft crosses by the dozens, mules by the bunches, and the ultimate trail horse central, Billings Livestock's March 26 sale event shined.

The annual "Spring Special Catalog Sale" featured Trail, Outfitting, Guide, and Guest Horses and.....mules!! A big, big selection of recreational horses, teams, and mules for a one-day total of 564 head.

The 23rd annual event hosted horses, mules, and draft crosses from some of America's premier outfitters including Hell's A'Roarin' Outfitters, Black Mountain Outfitters, and K Lazy 3.

Congratulations to March's number one - Hip 74 "Solstice Of Apollo" a 2017 FHHSI Black Gelding - a registered Friesian Cross - that brought \$65,000.

Trail ride, ranch work, brandings, sorting, English riding, the beautiful, gentle gelding had done it all in addition to being exposed to kids, dogs, cats, and alpacas.

Second high selling horse was also a Friesian and Hip 88 "Winston of Griffin Gate" a 2015 FPZV Black Gelding came offered by Quarter Circle 4R Ranch Horses in Cody, WY.

Originally imported from Germany, the fancy black gelding was sweet, kind, came broke to ride and drive - single and double - had been used for grand entries at PRCA rodeos, ridden in parades and had also been ranch ridden.

The top five averaged \$33,900 and included two Friesians, two draft crosses, and an AQHA registered buckskin.

Something for everyone, opportunity and value continue to live at Billings, too, as 59 head of catalog horses brought between \$5,000 and \$7,500

Draft crosses were king and Hip 212 "Shady" a 2018 Grade Gray Draft Cross Stallion offered by Stetson Merrill, Twin Bridges, MT proved the point as the very gentle, nicely broke to ride, ranch ridden, started arena roping stallion brought \$19,100.

Colored up and fancy broke, Hip 100X "Changa" a 2011 Grade Bay Roan Draft Cross Gelding consigned by Klay Ready, Cody, WY was the deal.

Billings Livestock was proud to offer 21 head of draft crosses and mules from Hell's Aroarin' Outfitters, Jardine, MT. Many of the horses offered were raised by the Johnson's, including this set of young horses that were born in the mountains, not far from Yellowstone National Park. Photo courtesy of Aimee Johnson.

She has plenty of run and if not molested in the box she will score like a statue. This horse is easy to catch, she loads in anything and she gets along with other horses exceptionally well. My son is going to vet school and needs money, hence, the horse is for sale. We will have a current vet check from our vet on hand and the horse will be sold with all current vaccinations. ROPE HORSE ~ ONLINE ~ SONS & DAUGHTERS/BLACK TYPE COMBO SESSION - SMOKIN THE HICKORY - 2013 AQHA Sorrel Mare x Dual R Smokin x Dual Rey out of Sweet Hickory Gal x Gordito Hickory. This mare is just a nice mare for everything we do. She was started in Boyd Rices cutting program as a two year old. Since then she's been a ranch horse and covered about every inch of West Texas. We've used her to turn back at shows and she's been a big part of our ranching operation as well as a good heel horse. This mare is quick on her feet and will watch a cow. Come sorting time she's the one you wanna be riding. She would also make a good reined cow horse for a high school kid that need a horse to do multiple events. We have breakawayed some calves on her too. She has most her arena experience as a heel horse. Scores good and won't miss the corner and dang sure stops on your throw and gets tight. This mare has done everything outside and we have depended on her in some rough situations and she always pulls through. Stands 14.2 and stout made and a pretty mover. With a pedigree like hers she'll be a valued asset to anyone's program after she retires from performing. She will take you to the next level. Just a nice mare. Could win at the sortings too. We're very honored to offer her. Call 940-414-3322 FMI. Coggins. AC14

ROPE HORSE ~ ONLINE ~ SONS & DAUGHTERS/BLACK TYPE COMBO SESSION - SWEET LITTLE DUALY - 2014 AQHA Sorrel Gelding x Sweet Lil Pepto x Peptoboonsmal out of Amys Dually x Dual Pep. This gelding is the one everyone puts miles on the truck tryin to find. He's got the world class pedigree that proves he'll have the brains, ability and cow smarts and he's got the size to please any roper or rancher. He'll stand 15.1 and wear a size 1 shoe. He's got bone and structure. There ain't a job he ain't done on our ranch and he does it with style. He's roped and doctored so many and been to more brandings than anyone could care to count. He's been used to gather wild cattle in the roughest country North Texas has to offer and he's never stumbled or went down. He is dependable and will flat out hunt a cow down at any rate in any terrain. He's a real smooth horse to sort on and I've hauled him all over North Texas as a turn back horse to large NCHA cuttings. I've used him to tag calves, calve cows and he's a good walker and has a smooth long trot and a beautiful collected lope. He's broke. This gelding is also a proven head horse that scores good, runs hard to the hip and faces like a pro. He's the real deal. A head horse I'll haul and win on up to sale day. He runs to the hip and gives me the same shot every time. He handles cattle very well allowing your heelers to catch. If you've followed the Hulme Ranch on Facebook you've seen this gelding in a million pictures and videos over time. He's a vital part of our operation where we run hundreds of cattle on thousands of acres. Use him all week and go win on the weekends. I've even roped Buffalo on him and wild longhorn cattle. Not many like this gelding and we're proud to ride him everywhere we go and he's seen a lot of different places. Come see him at the jackpot and preview. Call or text 940-414-3322 FMI. Coggins. AC15

ONLINE ONLY SESSION - SMOKIN FAMOUS DANCER - 2010 AQHA Buckskin Gelding x One Smokin Chick x Ill Smoke Ya out of Jag A Bow x Follow The Drum. Standing 16 hands high - Soot is a fancy buckskin gelding that would do well in dressage or western pleasure discipline as well as a western/ ranch setting, he collects well and shows well in the arena. He was born 2010 and I acquired ownership in the spring of 2020 as lightly started at which time I began working with him. August 2020 we packed him for 10 days in the mountains where he excelled. Soot will do pretty much anything asked of him, he is strong and sure footed. Fall /winter 2020/ 21 rode in an indoor arena 2X/ week, exposed to heel-o-matic at this time without any spook, bolt or buck. Summer 2021 continued working with Soot in an outdoor setting. Winter 2021/22 to present he has been rode in an outdoor arena in Arizona and exposed to tracking roping slow live cattle, he is doing very well without any vices. FMI: 780-830-9211. Coggins. AO14

den in 1 ½ years, he's well mannered, gentle, easy to handle and load doesn't bite or kick. Vet has no problem with him and comments how quiet and calm. Even when drawing blood he just stands there, the horse shoer has no problem trimming and shoeing him. he has the freedom of fields with the mares, does not work the fences. He loves people so is great to be around. Likes lots of attention, easy to catch. He has a wire cut on right front foot but it doesn't give him any bother, he is very sound! He does not put buck in his colts, we have had many colts by him for 6 years and they are very quiet, laid back no matter what mare they are from. They are easy to train and very smart, with good legs and good feet. His colts have been either sorrels or palomino coloring. At age 73, I am retiring from breeding so have no need of a stallion but he has too good of breeding to geld. I thought about it because I really like Red but I think he deserves to breed longer and I don't want to fight grasshoppers and drought any more. I need less work.
