Freckles  
2010 Grade Chestnut Gelding  
Clint Grimes Pinedale, WY

14hh 1200lbs. Freckles is a seasoned gelding that we have used for ranching, hunting, packtrips, 4-H, and junior rodeo. Easy to get on, but built stout to handle any job!! He is a pleasure to ride outside and ranch on. He is great to brand or sort cattle on. He is surefooted and likes to travel. He has good feet and bone and is sound and will be current on worming and vaccinations. He stands like a rock to shoe. He has also packed lots of elk and gear in & out of the hills. My 11 year old daughter has rode him the last 4 years as well, and been successful on him. They have learned a lot together. He has done goat tying, barrels, poles (runs in 3d), breakaway and heels. She has shown him at county fair in trail, reining, cowhorse, and English. She has carried flags and been in parades. He is good with all the commotion and she is very comfortable on him outside gathering cattle and riding in the mountains. He has also ski-jored. She has upgraded to a faster one now and that is why we're letting him go. He has a big motor and likes to travel. For this reason he is not a beginner horse. He is one that you have to ride and has all the buttons and is sensitive. He would be great for an 8+ kid with some experience looking for more go or at least a somewhat experienced rider. More photos available and questions welcome. VIDEO: <https://www.youtube.com/watch?v=3uSXiX7fqKI> FMI: 307-360-9124. Coggins.

Cowboy is a fancy blue roan horse and a good one for sure. He has been used in indoor and outdoor pens and long and short setups and he has worked good under every conditions. Been roped in some team roping jackpot not only will he rope but he will cruise out across the pasture and do a day's work, this gelding is a true cow horse and an all-around gelding to say the least. This guy has done most all of the ranch chores such as sorting and penning back cattle and has spent lots of time gathering cows in the mountain country. He has a good ground covering walk and will work hard all day and get you back home safe. This horse is well broke with a good handle. He has a nice one hand neck rein and open/close gates. This horse is fun to ride in the arena or great to head out on the trails. He has been to the high mountain lakes and has been ridden all over the Rockies. Crosses water well and is sure footed. This guy is easy to be around. Probably best suited for someone who knows how to ride. Probably not a beginner or little kid horse but if you have some experience this is a great horse. He is good with time off and doesn't have to be ridden every day to stay broke. Hauls great in the trailer. VIDEO: Contact Seller. FMI: 701-421-3851. Coggins.

Yankee is a pretty dark brown color and stands 16 hands tall. Between 2017 & 2018 he won three races and made a total of \$63,600. We were told he's been used as a lesson horse and started a little bit in dressage by the previous owner. We've used him the last couple of years as a trail horse. Yankee is good riding out with a group and will lead or follow. We've never tried to take him out alone, so can't say for sure how he'd do. He neck reins a little bit, but responds to leg pressure really well. Best suited for an intermediate rider as he can be more forward at the trot and lope, but he's generally calm and quite at the walk. Yankee is not spooky, and does great with time off. He's very personable and friendly and is easy to catch. He stands tied, loads, hauls, and is good with his feet. He's been shod every summer. He does have a small scar on his left front leg from an injury in March that caused us to pull him from that sale. He was never lame on it the whole time we doctored him. He is sound and UTD. M&M is a well-bred, sharp looking, 15.2 hands, 1260# sorrel gelding that is very well broke to ride. He is the type of gelding that is gentle & willing yet very athletic when asked. M&M has been excelling in the roping arena as a head horse. He stands well in the box, runs hard, rates well, and has a nice move across the pen handling the steer. We have ran countless steers a night on him and he stays the same from the first steer to the last. He stays quiet and relaxed and will score well whenever you choose to. M&M has definitely been a joy to take to the roping pen every week. He will lope around on a loose rein with excellent self-carriage. He will get in ground when asked to stop and turns around correctly. We feel he would be a very competitive horse to take to the Ranch Riding shows as well. Our 9 year daughter Carley enjoys to ride him. She has loped him for hours in the arena and loves to turn him around. Not only does M&M excel in the arena, but he rides just as well outside. We have rode him on the ranch, down the busy roads, and hauled him trail riding to several State Parks for overnight weekend camping trips. Most recently Kayla and I rode him on our annual Pony Express ride where nothing phased him. We have owned M&M over a year and have enjoyed riding him every time. He is also trained to lay down on queue. Here is a well-rounded gelding that we are proud to offer and believe the next owner will enjoy him just as much as we have. Current on dental, deworming, and farrier! FMI, additional photos and video please visit [www.hansonhorseranch.com](http://www.hansonhorseranch.com). VIDEO: Contact Seller. FMI: Jordan 507-272-3571. Misty is 14.1 hands tall and is a beautiful grey mare with great conformation. (Misty is registered sorrel but has turned grey so she will sell with a color correction). She has straight legs and hard feet. She is very willing to do anything for you. She has an excellent disposition, is kind and gentle too. She know her leads, has a nice stop and spin. She has been well started on the heel side. Misty has been rode all over outside of the arena, in the hills, down the road and around the ranch. She goes where she is asked, crosses creeks, through the brush, out by herself or in a group she never gives any hassle. He does not act mareish at all. She stands well for the farrier, good to load, saddle and bridle. You can catch her anywhere. She is 100% sound and safe. **COMBO SESSION – JT REFLECTION DOCBAR** – JT Reflection Docbar (Tequila) is a beautiful palomino gelding that we have owned for 2 years. Tequila stands 15.2 hands and weighs 1250 lbs. Tequila has a very attractive head with a big blaze, four white socks, big hip and a lot of hoof and bone. He has an awesome handle and great one hand neck rein! Tequila is a blast to ride and anyone can get along with him! Tequila has been used for all kinds of ranch tasks. He has been roped on a lot outside and has been used to drag calves to the fire. He is great on the trails and very solid. He has no vices and has been on our farm for over a year. We have left him off for months and hoped on him and he rides off like he never even had time off. He is smart and talented but also as gentle as can be. If the rider knows even a little bit about riding you can get along with this horse! Tequila would make an outstanding rope horse, ranch horse, trail horse or one to go show in the ranch riding/versatility classes. We call this tailor made, handy sized gelding "RockStar," because he is nothing short of that. He stands just shy of 14.3 hands, weighs 1125# and is as pretty as picture with 4 white legs, unique blaze and that deep red sorrel color. He is a solid broke, all around gelding that has been ridden and enjoyed by our whole family. From team roping practice, trail rides, team sorting, to wherever we go, RockStar is on the trailer. He is no accident with a pedigree packed full of money earners and producers. He is smart, willing, loaded with cow and most importantly GENTLE and SAFE. RockStar will meet you at the gate, stand like a gentleman to brush, bathe, clip, shoe and saddle. He is as smooth as glass to ride at any gait and his easiness to steer and maneuver will have you never wanting to get off him. Carley loves to ride him every day after school. He is a been there, done that type of gelding that does not get fazed. Most recently Kayla and I rode him on our annual Pony Express ride right along major highways without a bobble. Whether you want to rope, pen, sort, ranch, trail ride, partake in ranch riding shows/competitions, or just have one horse the whole family can ride and love, RockStar is just the one. Justyce Small Flemingsburg, KY

Benson is a 14.2 hand gelding that is a horse of many jobs and is compact in a fun size body. Benson is in your pocket and loves attention. He will one step lope circles, slides to a stop on whoa, will really turn around like a broke one should, catches his leads and really loves to work. Benson has been in the box a few times and shows great potential but will need finished. We believe he'd make a wonderful heel horse, aside from the roping, we've taken Benson to a couple sortings, and won some money. He's really fun and catty, he enjoys having a job but also enjoys being your friend just as much. Perfect size for dad to go use and easy enough for a handy youth to go play on. Blue Doc is a fancy 15.2 hand 1275# blue roan gelding that is gentle and well broke to ride. This gelding was bred and raised by a good friend in our area that is known for raising good looking blue roans. We had the pleasure of training this beautiful gelding back when he was three for Kayla's parents. He was a joy to ride from the start and grown into one nice all around gelding. The past 4 years Kayla's parents have rode Blue Doc at every weekend camping trip they have been on. He's seen every mile of trail at several state parks and camping sites in MN, IA, WI and Eminence, MO. Not only has he excelled out on the trail, but he is no slouch in the arena with the smoothest lope you'll ever sit. Blue Doc is soft, supple, steps right into his leads on cue, stops well and never gets frazzled. We have hauled him to several team sorting and team roping practices this winter. Kayla has been learning to rope slow steers on him and he does an excellent job remaining quiet in the box, tracking to position and giving her an opportunity to catch. We also both rode him many miles on our annual Pony Express ride alongside major highways without a bobble. Blue Doc is a Cowboy Colored gelding that comes with a long resume and is ready for his next owners to enjoy him as much as our family has. Current on dental, deworming, and farrier! He's doctored cows outside, gathered bulls, drug many calves to the fire, and sorted pairs as well as rode through blizzards. He's a true Cowboy's horse. He has a motor that won't ever slow down. He is a big country horse for an experienced rider. He's no bronc but sometimes needs a firm hand. He can be watchy on the ground but overall is a friendly horse and enjoys a good pet. I have some younger horses coming up so it's time for him to go down the road. Family, Kid, Head, Heel, Ranch Horse Deluxe. Chicken Wing is that "once in a lifetime" horse you have been waiting for. Chicken Wing stands a bit over 15 hands and weighs around 1150 pounds. He's dead broke and ready to do whatever you ask of him. He's quiet on the ground and calm in the saddle. Here's a horse the whole family can enjoy. He can do it all and he's as safe and dependable as they come. He's won saddles and buckles heading and heeling in team roping. He's packed flags in the arena, our 13 year old daughter has been heading on him in junior rodeos, and he would be a great breakaway horse as well. He's competed in the ranch rodeo events at NILE. He is an exceptional head and heel horse and has been hauled all over. He really shines as a great all around ranch and trail horse. They don't get any better than Chicken Wing in the branding pen. He's bomb proof and loves his job. He has no bottom when it comes to dragging calves to the fire. He's quiet out in the country and on the trail and a super fun horse that everyone will enjoy. He has great eye appeal with a flashy, long sorrel mane and tail. No doubt, you know you are mounted well and his looks just add to the package! This is the kind of horse that the boss shows up on. B & L Hanson's Blue Boy is a home raised Blue Roan Percheron Stallion. This gentle yearling currently stands 15.3 hands and weighs 1050#. Blue Boy's conformation is flawless with a big hip, good back, and nice head set to catch your attention. He has straight legs, 4 black feet, is square in the mouth and both seeds are down. His sire was a coal black, fancy modern Percheron Stallion that stood 17.2 hands. Blue Boy's mother was a home raised 16 hand Blue roan Percheron mare that was sired by Rudy Gingerich's famous "Blue Boy" stallion whom has sired several high sellers across the country and out of another home raised coal black Percheron mare. My family has put many years of genetics together to offer this superior Blue Roan Percheron Stallion prospect. Blue Boy is as gentle as they come. He is easy to catch, ties well and stands to be brushed, bathed, clipped and trimmed. If you're looking to raise some Blue Roan Percheron's or draft crosses, here is a unique opportunity that doesn't come along everyday!! Current on dental, deworming, and farrier! We haven't taped him officially, but Maverick probably stands around 15 - 15.1 hands. We've had Maverick for a couple of years. The first year he was used as a guide horse for the season, and he was good for the experienced riders. But last year he was left turned out, we just didn't need him and had too many to ride already, Maverick does have a nice handle on him and he's pretty broke, but he can be cold backed. Could be just from having a whole year off, but right now Maverick is a project horse for a gritty, experienced hand. He'd make a heck of a using horse after a little attitude adjustment. He just needs job and we think he'd come around with some steady miles and wet saddle pads, but we just don't have the time to commit to him. He's never been lame, he's tough, and generally not hard to catch. He loads and hauls and is decent about his feet. He is UTD and sells sound. Search @BarWHorses on YouTube for videos. Skeet is fancy broke with all the buttons! He has been used extensively on the ranch, both in the feedlot and outside. In the arena, he's been heeled on some, and had a few calves break away roped on him. This horse would thrive as a breakaway horse! Skeet has doctoring thousands of cattle and knows a full days work. He has been ridden in all kinds of terrain and by many different people. He will do best with someone that isn't a beginner, as he has all the fancy buttons and the motor to go with them. **LITTLE ROWDY STREAK** – Been used on all aspects of ranch life: roping, sorting, gathering, calving day and night and doctoring. Has extensive training in the arena as well. He takes both leads and has a nice stop. He has been everywhere from the mountains in Montana to the brush country of Texas. He is very catty and loves to work a cow. He has been known to get fresh after being turned out for an extensive amount of time but does talk out of it easily. He hasn't offered to do anything silly in 6 months. If he is warmed up before you get on him after being turned out he just rides off. For that being said, I would recommend an intermediate to an experienced rider. VIDEO: Contact Seller. **MR SHAWN 18** – Big, gentle, safe, fancy broke, and ready for his forever home. This gelding has been used hard ever since he was a two year old. Shawn has roped and drug baby calves to the fire along with big herd bulls into the trailer, no job is too small or too big for this horse. He has roped the hot heels and been started on slow cattle on the head side. Now the only down side to this horse is that he does require maintenance. Please contact us for more information on the maintenance. He has been X-Rayed by pioneer vet clinic in Scottsbluff Nebraska. They have diagnosed him with “fusing hocks” due to overriding at a young age. We gave him a steroid injection in his hocks in January, keep front pads on him, and give him previcox when we ride him hard. IHe’s a son of LITTLE MISTER LITE and a grandson of GRAYS STARLIGHT. We've ridden him off and on the last couple of seasons, but just haven't had the time to put steady miles on him. He'd make a great project or turn-around horse for someone handy. Newt has a friendly personality and wants to be gentle. He's been used to trail ride and we've had him around cattle. He's good to handle on the ground, easy to catch, stands tied, loads, and is good with his feet. Here might be as pretty of an AQHA Gelding as we have ever offered. Joey, as we call him, has more shape and size than you could ever imagine. He stands 15.1 hands, weighs 1375# and has the most loving personality you could ask for. Born, bred and raised by a good family friend right here in SE Minnesota. We acquired him as a two year and boy has it ever been fun riding, training and watching him grow into this handsome mature gelding. Joey comes from a pedigree that is known in the area for their size, build, versatility and most importantly "Always Gentle" demeanor. He is the first to meet you at the gate, stands well to brush, bathe, clip and saddle. We have ridden Joey many miles outside where he handles everything in stride. He rides well in the arena too, where he is soft and supple. He takes his leads on cue, has a very smooth lope, and rolls over his hocks swiftly. We have ponied colts, roped some slow steers on him, and the heelomatic. Joey does not have a mean hair on his body and is one Gorgeous, talented gelding. Joey has that laid back personality that is hard to find and we are proud to offer him. Current on dental, deworming, and farrier! 15hh. A sorrel that will get you noticed and compliments! He has a background as a heel horse and ranch work, cowy. He confidently works in the arena and has competed in shows bringing ribbons. Has fancy buttons: Neck reins, Responds to leg pressure and verbal queues, Side passes, Roll backs, Started on spins, Opens/closes gates, Crosses tarps, bridges and logs, Walk, trot, lopes on a loose rein, Ground ties, Stands like a statue for mounting, Easy catch, will walk up to you, Will load himself into the trailer, Stands for the farrier, easy keeper, desensitized to handling ropes and dogs. Loves water and stands for bathing, great herd mate, lower end of the herd hierarchy, very easy going. Arrow can be watchy, but with an experienced rider he goes around great. Arrow would love a job continuing rope work, ranch work, or competing in the arena. He has been ridden throughout the winter and just finished a 30 day training tune up. Sound. UTD on shots, farrier, and dental. VIDEO: <https://youtu.be/OJO9dyUHjke?si=jINNFRU-iOEiUQsl> FMI: 405-268-1529. Coggins.

Ziggy  
2006 Grade Gray Arabian Gelding  
Bar W Whitefish, MT

Ziggy is a cute Arabian gelding. He stands 14 hands and is a flea-bitten gray. Ziggy is a nice little trail horse, and not much seems to bother him. He rides out with a group anywhere in the line. We haven't tried him out alone, so can't say for sure, but he'd probably do fine. We took him to a couple of roping practices and he had no problems with all the horses, cattle, and ropes. We even tracked a few steers and he didn't mind one bit. We haven't used him for kids, but we think he would make a great step up horse. He's good with time off, doesn't get fresh or cold backed, and isn't spooky. He's not hard to catch if you're handling him regularly, but if you turn him out all winter he'll be standoffish in the spring. Ziggy stands tied, loads, is good with his feet, stands for the farrier and has shod in the summers. He is UTD and sells sound. Search @BarWHorses on YouTube for videos. VIDEO: Contact Seller. Steve is a solid gelding who has been used extensively at a large feedlot in Central Montana for the past 5 years. He's very good at pulling cattle and locks on well. He has been roped on in the feedlot and outside as the feedlot runs yearlings on pasture in the summer. He has roped both ends in a ranch setting and has drug calves at several brandings. Steve is not a bronc. He is an aggressive mover and doesn't miss much, therefore, he is not suitable for a beginner. He can be hard to catch in a large lot or pasture, but once he knows he's caught, he's good. Steve is the boss horse in a pen. Due to his extensive use, Steve does have some white hair blemishes from too thick of a saddle pad. Call with any questions about this good gelding. VIDEO: Contact Seller. FMI: Brian 406-868-4932. Diesel  
2008 Grade Bay Gelding  
Sage Creek Horses Douglas, WY

14.3 hands 1100 lbs. Age verified by equine dentist. Diesel is a been-there-done-that kind of gelding who is the same every day! He has a big-country, head-bobbing walk and a bottomless motor. He's packed, gathered and trailed cows, run the saddlehorses in and worked the calving sled. Surefooted in any terrain, rides off by himself with no problem and is a seasoned soldier who isn't scared of anything and doesn't back down. We have owned him for 2 years and he's plumb gentle with no hump or buck, but just like every old ranch man he is tough as leather and can be hard-mouthed at times, so needs a steady-but-firm hand. He is super honest, rock solid with time off, good with tarps, panniers, ropes, dogs, etc. Friendly and easy to be around, good to catch, tie, shoe, load and all the things. Catch him out of the pasture, get on and go; he'll be the same every time. Sound, no maintenance. Find our YouTube channel at Sage Creek Horses 3482.
