He was raised by a ranch I use to work for, and I had the pleasure of starting his sire. This is a deep cinching, soggy made, go all day gelding. He has seen all aspects of ranch work, been used at both head and heel, and snag and drag brandings. In addition to ranch life, "Hipster" is no stranger in the arena. He will pick up his lead departures from a walk, lope a nice circle, maneuver through an obstacle course, and then track up the dummy. We have spent time making sure he was correct on the dummy before transitioning to live cattle. He is working really good out of the boxes and should be ready to haul by summer. This gelding has also been lightly started on the barrel pattern as well, and could just as easily go that direction. VIDEO: Contact Sellers. FMI: 208-756-7341 or 208-993-1422. Coggins. RMC9

**"Best of the Remuda" RANCH HORSE COMPETITION**

Friday, May 24 • 3 p.m.  
HorsePalace Arena  
Exit 437 on I-90

Your opportunity to watch the horses in a judge ranch horse demonstration

## Outstanding & Good Enough

RERUN but a good one!! I wrote this editorial awhile back and it's still sooooo true!! I made some updates but the message is the same!

Here we go: The horse market continues on it's heater - in ALL divisions - as evidenced by the April 2024 loose trade - where again - a loose horse brings \$9,000 and the top catalog horse this month at \$62,500.

Here's the perspective on the loose - a full - really full - arena of active buyers, a solid selection of horses, and that magic combo equaled 338 head of horses that averaged over \$1,300 a piece, with 81 head at or over \$2,000, with a top 100 average of \$3,035. That. Is. stellar.

Get ready, our next loose offering is 8 a.m. May 25 and - as always - we will accept horses all week.

On the catalog side - I see the division between "outstanding" and "good enough" getting wider.

The "outstanding" pictures, video, promo, and effort put forth by the consignor is well rewarded while "good enough" is just that - good enough. With that said, that's what makes Billings - well, BILLINGS!! We have buyers for all kinds, all classes, all the time.

With the addition of the online "ShowCase Sale" session where THOUSANDS of people have the opportunity to bid and ultimately buy, the better the support material is

Jann Parker

the better the outcome. First class effort equals first class results. It applies to horse sales, too.

YOU ARE SELLING CONFIDENCE in your product. BUYERS - myself included - want to feel good about their purchase.

I think back to the catalogs I did 15 to 20 years ago and there may be two pictures on the page and absolutely no video link....we have come a long way baby, and cell phones have made it easy - now every horse has a picture, some look like artwork while others look like "let me run outside and snap this". Same with the YouTube video - some look like Paramount pictures and others

look like "let's get this done and over with".

So - the beauty of it ALL - it's really, really worth the trip to Billings to see it with your own eyes - one person's good isn't another person's good. And you can find YOUR good!!

Every single month there are opportunities at Billings - we SELL all kinds, all classes, all colors, all disciplines, all price points - all the time.

Up next - our big, spring sale event - join us as we celebrate the Ranch Horse - May 25. Come see us!

Meet Dutchess, a double registered Rocky Mountain and Kentucky Mountain mare. She stands 15.1 HH, is easy to catch, good with her feet, loads, bathes, ground ties and hobbles. Always been barefoot and always been sound. Her main job has been trail riding and rounding up cattle and goats. You can open gates from the saddle. She crosses water and other trail obstacles without hesitation. Even though she has never offered to buck, we wouldn't recommend her for a beginner as she can like to move out at times. She does have a couple small scars on her neck and a shortened mane near her withers from itching bug bites last summer. She would also make a fantastic broodmare if someone wanted to get her certified. VIDEO: <https://www.youtube.com/watch?v=c5vY-9G2PIE> FMI: 406-891 0274. Coggins. MO6

He does not lope but she does lope a circle with a bigger child. She loves playing with the ball, and Brannon has thrown tarps all over her and around her. He can take care of himself with a herd of larger horses so that you would never have to worry about him. Thorboy is an easy keeper but has never had any health issues. He has great feet that have been taken care of on a regular basis. He has awesome manners in the stall and tied up to be groomed and tacked up. He rides great with a saddle and will walk, trot, and canter in the ring and on the trail. **ONLINE SESSION - LILLY MAY** - 2018 GRADE Chestnut Paint Pony Mare. Lilly May is a fantastic pony. She is not only beautiful, she is kind and willing. We kept her in the barn all winter in a box stall and rode regularly. We are highly impressed with her mind and attitude. Our 4 year old grandson can catch her, roundpen her, brush her, pick out her feet, tie her and untie her, and ride her with guidance. She turns easy and trots on command. He does not lope but she does lope a circle with a bigger child. She loves playing with the ball, and Brannon has thrown tarps all over her and around her. He enjoys spending time handling Lilly May and she enjoys him as well. My granddaughter has rode her bareback and she likes that too. Prior to us, she was ridden back and forth to school by Amish.
