## Smashing Records

Billings Livestock's annual "February Special Catalog Sale" February 23-24-25 saw new records set - again - in the catalog division as the weekend's top horse sold for \$147,000.

With 820 head of horses offered over the three days, the big horse sale weekend in Billings, Montana included the annual "Sons and Daughters" sale session featuring top-end quality and pedigreed individuals that drove the market to new highs as the top five averaged a smooth \$69,000.

Adding additional energy and reach to the quality presented, the "ShowCase Sale Sessions" both Friday and Saturday allowed for on-premise as well as online bidding and buying options for approved buyers. Nearly 600 new online buyers applied for purchase.

Four out of the top five selling horses were stallions - three of them palomino - including Hip 321 "Smart Guy" a 2021 AQHA Palomino Stallion sired by Smart Chic Olena and out of the \$100K money earning mare Whizin Off Sparks x Topsail Whiz.

Offered by Cooper Smith, Smith Ranch Whitesboro, TX, Daniel Schloemer, Agent, the young stallion came 6 panel negative, had been in professional reining training for a year, and was eligible for so many incentives.

Red roan and loaded with bone, foot, and all the charisma packaged together in Hip 328 "LightstrickenHashtags" a 2021 AQHA Stallion sired by Hashtags and out of a Dual Rey daughter consigned by Matt Mardis, Kingston, OK.

Shown in the preview, the gentle, well broke stallion was eligible for a multitude of incentives and sold to Will Bentz, Burns, OR.

He was sired by the boss - Metallic Cat - and came palomino in color, and

Hip 309 "Ima Metallic Gold" a 2014 AQHA stallion offered by Chappel-Slavin Partnership, Collinsville, TX stood 15.1 hands.

Out of a Dual Pep daughter, Dual Citizen, the stand-up stallion brought \$50,000 and sold to T Bone Cattle Co., Alberta, Canada.

A stellar selection of mares came name brand and fancy, as the February event was loaded with mares with a lot to talk about - including daughters of Dash Ta Fame, Dual Rey, Metallic Cat, Stevie Rey Von, Smart Little Lena, Once In A Blu Boon, Electric Snow, Smooth Talkin Style, Sixes Pick, High Brow Cat, and so many more.

Top end geldings, ponies, and draft crosses were also offered, with Hip 210 "Drifter" a 2018 Grade Draft Cross gelding consigned by Ervin Miller, Hulett, WY earning top draft cross honors with a \$35,000 sales ticket.

In the gelding department, the weekend's Number one gelding belonged to Tyler Thomas, Dalhart, TX who offered Hip 411 "Deebo" a 2020 AQHA Red Roan by Hashtags that came honest, broke, and started roping.

The first-class gelding brought \$40,000.

Sale averages prove the depth of the quality where the top five averaged \$69,000, top ten at \$55,050, top 20 brought \$43,550, top 50 at \$32,630, and the top 100 averaged \$24,232.

137 head brought \$10,000 or better, with 52 over \$20,000.

However - a horse for every budget - 68 head of catalog horses brought from \$2,500 to \$5,000.

EXCLUSIVELY ONLINE ONLINE ONLINE!!

March 18-19-20

Anderson Dispersal Sale, Miller, SD  
605.212.7034

Anderson Horses, Miller, SD will be hosting a dispersal - absolute auction - March 18-19-20 EXCLUSIVELY ONLINE. This decision was made with careful consideration, as my husband (42 years old) recently suffered a major stroke. I believe it is necessary to prioritize his recovery and well-being, so I have made the tough decision to hold a dispersal sale.

My husband took great care in assembling this herd, with each mare selected for specific genetic performance and purpose. He was eagerly anticipating the first foal crop this year with his stud Blue Tsunami Smoke, a direct son of A Vintage Smoke. However, given my husband's health, I will not be able to manage the care and workload for these horses alone.

Important Notice: A veterinarian has confirmed pregnancy as of September 19, 2023, for any mare listed in foal. Please note that the standing stud is being sold, so there will be NO rebreed breeding contracts on any of the mares bred by Blue Tsunami Smoke. Miss Shine N Silk is bred to Smooth as a Cat, she will also have NO rebreed breeding contract.

This gelding is the absolute best all-around family horse prospect we have ever had—He is Special! Drifter is super friendly, kind, smart, easy to catch, learns quickly, and has been extremely safe for rookie riders to take riding lessons on. Trainers have roped the machine and loose steers in the arena on Drifter as well. This is a horse that is a decade beyond his years in terms of demeanor, quietness, and trainability. We searched a long time for quiet horses, and we couldn't believe we found what we wanted in a 3-year-old. With just a little more work, Drifter should check the box for your entire family's horse needs. Gentle, gentle! 14.3HH. Willing to hold for 7 days after sale. Coggins. **LIL ZAN SOLANO** - 2011 AQHA Palomino Mare x Zan Lucky x Baldy Zan Parr out of Tari Bar Sandy Lady x Jumpin Jack Solano. Lemon is a very sweet mare. We bought her on the 2023 Pitzer Spring Sale because we were looking for a safe and gentle family horse. The description we bought her on said "she knows a full day of ranch work and was previously an older gentleman's main day working mount. She has been roped off of in the pen and is a trail rider deluxe. This mare will take care of her rider and herself." She has been great for our family and exceeded our expectations! We hate to part with her. She has no buck and has handled lots of commotion like a champ. She handles a bull whip being cracked from her back and even a slip-n-slide draped over her!! She is a little stiff on a back leg but still has the ability to take care of beginner riders, trail riders, or even do moderate ranch work. 15.1HH. Willing to hold for 7 days after sale. Coggins. Doc has been my main mount for the past 6 years!!! He is a massive tank with whatever you put in front of him. He is a finished rope, ranch, trail horse! I've used him for the past 6 years for about everything. He is a solid head horse! Scores well, pulls from horn well and faces well. Used him in ropings from 7.5 to 13 numbered ropings. He is solid in the roping pen. I've used him in ranch rodeos, team penning. He is flat broke!!! Moves around like a reiner. For a big horse, he's the goods. True ranch horse!! He is one hand broke and solid as they come. He has no vices or blemishes. He is built like a tank and will pour his heart out for you every time you ride him. Whatever you put in front of him he will do it. We have trail rode him also. Crosses water. He is a go to mount and you will only need one horse with Doc. It's going to be hard to part with him.
