He's sire by IFWHIZWEREGUNS X GRETTA RHOADS "Dry Doc, Master Bug and Lottie Lynx". Bo has always been kind and gentle on the ground. He stands for the shoer, loads in the trailer, stands for bathing, etc. He is for sale because he "BUCKS" once in a while and it's usually after having the weekend off. I have owned the dam since she was weaned and she also did the same early on in her training but came out of it. I don't have time for the unpredictability and he will need an advanced rider. Charm is a nice big gypsy mare. We raised her on the ranch. She never had any buck when we started her and has been easy to advance in her training. She is riding very willingly and is progressing well. She has a great personality and will come find you in the pasture. She has a white heart on her front right leg - She is super affectionate. She steps out and travels well. She is different than many of the gypsy vanners in the US in that from their yearling year on we run our horses out in big pastures with hills, rocks, creeks, logs, sagebrush and varied terrain. They know how to use their feet and get around in all conditions. She has not been raised in a box stall but is quiet if kept in one. She is safe and comfortable carrying a flag. She is solid going down the trail. She will mature to be at least 15 hands and maybe a little taller. She is out of one of our most gentle and chill gypsy mares and she loves people! She is going to make someone that rock solid, kid safe, good with dogs around, family type horse that everyone can enjoy. UTD on vaccinations and worming. VIDEO: Contact Seller. MONEY EARNING SWITCHENDER TEAM-ROPING & ALL AROUND RANCH GELDING. 15.1 hands by Docs Alota Pepto, going back to Peptoboonsmal and Smart Little Lena. Selling as grade as the previous owner lost them in a fire, and we are working on obtaining replacement paperwork. Been there, done that ranch gelding. Been used for gathering, doctoring yearlings, branding, sorting, and pushing cattle into the tub and alleyway—the handiest kind to have around cattle. Will go anywhere you point him through mud, water, steep rocky country, and stays sure-footed. He can cover a lot of country. Very athletic with a huge stop, soft, and very broke. Spent the winter in Arizona heading and heeling—super solid on both ends, quiet in the box, scores off your hand, and runs hard. Rides like a gentleman in the arena. Gentle on the ground, good around other horses, easy to catch, good feet, and stays sound with hard use. VIDEO: Contact Seller. FMI: 701-880-8426. Coggins.

2014 Grade Chestnut Pony Gelding
Ray Longstreth Hardin, MT

Sylvester is one cool pony. Our kid has ridden him all over the place by himself. He rides bareback or fully tacked with an o ring bit. She's taken him all over the hills and over tractor tires, he's been through the pony obstacle course a bunch - teeter totter, bridge, around poles, around cones, around barrels, over small cross rail jumps, and he does it all happily with loads of confidence. Sylvester is so much fun - he walks, trots, lopes - tacked and bareback. He's also got the puppy dog kind of personality that kids like - he will greet his kid at the gate every day and comes for scratches, hugs and grain. Our kid has also been swinging a rope off him and roping the dummy. This pony is just loads of fun and we've been able to trust him completely with our kid, she can tack him up alone with no help, get on and ride off quietly without a bobble. He's the same pony every time she takes him out. VIDEO: Contact Seller. FMI: 406-224-5185. Coggins.

Rojo
2023 Grade Sorrel Gelding
Lynette Mills Ten Sleep, WY

He may be just a grade quarter horse, but he is well broke and has a list under his cinch longer than most colts his age, due to his ranch horse training by Will Ward that started in March 2026.

He rides bareback, drags calves, ropes cows and handles it all with a calm disposition. Small kids and dogs can run around him safely. He comes from a generational maternal line of people loving, dependable ranch horses. He is a sensible thinker with a cow horse pedigree. Docs Oak, Doc O' Lena, Leo, Blue Valentine, Sugaree Bars, Peppy Rojo, etc. He'll make an excellent rope horse or ranch horse.

He has sorted pairs and yearlings, and has wrangled horses. Left front pastern, 2 cosmetic wire cut scars but sound. www.brokenbackranchquarterhorses.com VIDEO: Contact Seller. FMI: 307-272-5509. Coggins.

Ranch raised in big pastures, and he knows how to travel. 15.1hh with a stocky build and good, straight legs and lots of bone. If you have a big job to do or are in the market for a performance prospect, don't miss Pistol! He has a big motor and a lot of speed and endurance. He has had a lot of outside miles, been ridden in the mountains, moved and worked cattle, roped the lead steer, has been started team roping, both heading and heeling. He is broke and willing to do whatever is asked of him. He is high energy and benefits from regular riding from an experienced rider. He has a great handle, neck reins, moves off leg pressure, backs, side passes, pivots, lope nice circles, and has a good stop. Exceptionally flexible in the poll and laterally. He is very soft in the mouth and willing to learn. You can open and close a gate on him. Can get a little fresh with time off but works through it quickly if you ease him back into the routine.

NOTES: ONLINE SESSION - This striking buckskin gelding is as dependable as he is eye-catching, combining a rock-solid mind with an incredible athletic ability. Patron is a natural in the roping pen, as well as quiet and patient in the box, scoring perfectly every trip without getting anxious. He explodes with exceptional speed to the cattle, rates effortlessly, and provides a smooth, consistent handle for his partner. Patron is a competitive horse with plenty of pull and is very quick-footed. We have had him since he was two years old, and all of these characteristics are the outcome of him earning a living on our ranch since that time. Patron has been hauled to plenty of jackpots and amateur rodeos, and he is ready for a low-number roper to a professional roper. He stands 15.2 hands and weighs 1300 lbs, including a perfect conformation for a head horse, and possesses the breeding to back up his athletic abilities. She has extensive experience handling cattle, working the ropes, sorting, and heading out on the trails. NOTES: ONLINE SESSION - Wheels is about as fancy as you can make one, with a good back, clean straight legs, tons of ability and an outstanding pedigree behind him. Standing at 15.1, he's the right size to use for most any task, and stays gentle with never a sign of buck every day we saddle him. From the arena to the ranch and the rough Uintah Mountains, he has seen it all. Not much bothers him out there and he has a good ground covering stride to smoothly cover country. He hobbles, ties out overnight, crosses water, mud, downfall and most anything you encounter. In the arena, he is nice to head and heel on as well as breakaway rope and run barrels. He lives up to his breeding with a lot of run and talent so isn't recommended for a novice rider. Tom Henesh Belgrade, MT

If you're looking for your next mountain adventure partner look no further. This built to last, 4WD Side-by-side of a horse is outstanding in the mountains: sure-footed and brave, steady and straight and fun to ride. Don't let his size fool you, he is truly mighty in the mountains going through tall down timber & high water like a big horse and he knows his job when ponying. He's very smooth to ride and enjoys attention. Mount from ground or step. Drags barrels, logs, & tarps all with no problem. You can swing a rope off and he waits for direction. He has a slow jog, a ground covering working trot, lopes nice circles, canters out in the open quietly, backs, side-passes, has a good whoa. He is very sensitive to pressure and takes a light hand in the bridle, so not for beginners. He shows potential as a working equitation horse, or gaming horse. He's handy to do chores from then go to town and be flag bearer in a parade, but his happy place is on the trail in the back country. Great personality, loves attention, easy to catch, load & haul. Wears a sun/fly mask. Only selling because we've got too many. Minor marks around his left eye from fooling with another horse that may be gone by sale day. UTD worming/vxns. NOTES: ONLINE SESSION - Porkchop, or as we call him, "Chop," is a 14.3-hand bay roan gelding that is stout-made and built to last. Chop has been my personal horse and my go-to guy for quite some time. He's always the first to meet you at the gate, lowers his head for the halter, and has impeccable ground manners. Although Chop is still young, he has the heart and mind of an old soul. Chop will walk on a loose rein, has an easy-to-sit jog, and a smooth rocking-chair lope. He picks up both leads with ease and has flying lead changes. Say "whoa," and Chop will leave tracks in the arena sand. He has a one-handed neck rein, is soft in the face and body, turns around correctly, side-passes to open and close gates, and willingly goes wherever he is asked. We've hauled him to town to pen back cattle at the stockyards, taken him to rodeos to push timed-event cattle, and used him at team roping practices. He's been on multiple camping trips and has handled every task with a solid mind, willing attitude, and eager-to-please personality. While Chop shines in the arena, he is just as exceptional outside of it. Chop stands tied, ground ties, is a farrier's dream, excellent for the veterinarian, and easy to handle in every situation. He is the definition of a dependable "packer." Chop is 100% sound, free of vices, and as honest as they come. VIDEO: https://youtu.be/mYHdOi8_6Lo?is=nu6Gg0jZcYLC528y FMI: 606-748-0066. Coggins.

Lobo is easy to get along with in every way, has great manners both on the ground and in the saddle. No matter what you need a horse for, Lobo is willing and able to fit the bill. 14hh. Sandworm has done a little bit of everything from all aspects of ranch work to toting around the kiddo at gymkhanas. He will watch a cow, super fun to sort on, and good with a rope, always put you where you need to be on the heel side. He travels out nicely and covers ground. Sandworm knows a long day and has no quit. He is gentle on the ground and in the saddle. Sandworm has seen rough country and will go where you point him. He is calm going to town and rides nice in an arena. Sandworm is good to tie, load, shoe and will meet you at the gate every morning. He does have cosmetic blemishes from being bottom of the pecking order, most notable is a scar on outside of right hock, right hip and back of right hip, and inside right front fetlock. ALL COSMETIC, he has never taken a lame step in our care. If you're looking for a dependable guy the whole family can ride, Sandworm will fit the bill. He'll cross water, bogs, and down timber with no questions. He has literally had thousands of cattle roped on him big and small. He has a lot of run and rates good. He will stay quiet to rope on if you need. I've doctored a lot of cattle by myself and he's very solid and strong on the end of a rope. He has a big motor and will go all day but will need an experienced rider because he can be tight in the mornings. Roany is good to catch and shoe. Double registered mare with lines going back to great sires in the cowhorse and reining industry. This mare is broke and soft with a fancy handle. Ride her in most any bit you prefer, or the hackamore, she is light and easy. She has been shown in the Ranch Versatility and Stock Horse at the local level. She has basic reining maneuvers, stops hard, flying lead changes, good body control, rate and speed control. She has been started in the breakaway and used on the ranch as well. Rides off quietly by herself, crosses water, comfortable around cattle. Show her, rope on her, use her on the ranch, she is ready for any job you have for her. Suitable for a confident beginner on up. With appropriate guidance, this would be a great step up horse for a handy youth on the ranch, in Jr Rodeo, or 4H. She is push style but also sensitive and responsive. All business type mare, not a fan of being fussed over on the ground but will accept it. Good to shoe, hauls well, stands tied quietly, bathes, excellent ground manners. Up to date on vaccines, deworming and dental care. We know this horse well, she was started in our program and is back to be finished and sold for our client. Stands 14.2 and ~1000 lbs. Please don't hesitate to call or text with any questions. King has all the eye appeal in the world. Soft and kind expression, beautiful build, and that sought-after buckskin color that turns heads everywhere he goes. But as pretty as he is, his best qualities are the ones you can't always see in pictures. He is honest, dependable, and one of the most kind-hearted horses we've had the pleasure of owning. On the ground, King is as easy guy to have around, He has wonderful manners, stands tied quietly, bathes, loads, hauls, and is excellent for the vet and farrier. Easy to catch, easy to saddle, and easy to enjoy. Whether your barn is calm or chaotic, King stays the same steady gelding every single day. He has such a friendly personality and truly enjoys being around people. Meets you at the gate and wants to be part of whatever you're doing. He has done all tasks on the ranch from sorting, branding pen, and pasture roping, he has also been roped off both ends in arena some, and will lope the barrels, King is truly one that has done it all, King has speed but will walk out all day content, Out on the trail he will cover ground and goes anywhere asked, crosses water, navigates rough terrain, step over logs, and go wherever you point him without making a fuss. King is also great in arena just riding, with a slow rocking chair lope you could lope him all day long, and has a fantastic neck rein and soft in the mouth, will collect up and do pivots, side passes and backs up great. Traffic, tractors, dogs, cattle, equipment, commotion around the farm, none of it bothers him. Josie is a standout 2-year-old with a bright future. By sale day, she will have approximately 30 rides and continues to progress with every outing. We purchased Josie right here from BLS Loose Pen, and she has exceeded our expectations. With fewer than 10 rides, Josie competed at a local horse show, earning 1st in Green Horse Western Pleasure, 4th in Adult Western Pleasure, and 3rd and 4th in Lead Line Trail. She also took part in the community 4th of July parade on two consecutive days, taking everything in stride. Josie has the kind, quiet disposition everyone is looking for. She has had a .22 fired beside her and fireworks go off nearby without hesitation, proving she has a steady, willing mind. She is the type of horse that wants to take care of her rider while remaining soft and eager to learn. As with any 2-year-old, Josie is still green and will benefit from continued training to reach her full potential. She has a small skin tag on her right hind leg and some old scarring on the front of both hocks from a previous injury. These are cosmetic only and do not affect her soundness or movement. AQHA papers are pending owner transfer. We anticipate having the transfer completed and the papers in hand by sale day. If you're looking for a level-headed young prospect with an exceptional start, honest disposition, and all the potential to become a dependable partner, Josie deserves your attention. Jr is your go to all day long type of a ranch horse. He has a big motor but is smooth as glass to ride all day long. He's done everything on the ranch that can be done; he's branded calves, roped cows, loaded bulls, even has been to town for ranch rodeos. This horse isn't a beginners horse because he has so much go but if you have country to cover, you'll love him. Good to shoe. Hauls in any type of trailer you want. VIDEO: Contact Seller. Chicken Nugget
2020 Grade Sorrel Mare
Cole Jensen Blackfoot, ID

Chicken Nugget has a quiet disposition and a solid foundation. She has been used outside on BLM desert cattle allotments where she's gathered, sorted, and branded cattle. She's seen the miles and has the kind of experience that makes her dependable to saddle up and go to work. She has been started in the breakaway and has been roped on out of the box. Chicken Nugget is easy to shoe, gets along well with other horses, and is an easy keeper. She's gentle and ready to continue as a ranch horse, breakaway prospect, trail horse, or dependable using horse. VIDEO: Contact Seller. FMI: 435-754-4693. Coggins.
