A Really. Big Deal.

Oh, those drafts, draft crosses, and mules - the kind with backcountry and recreational riding experience on their resumes were the really big deal at Billings Livestock's March 22-23 "Spring Special Catalog Sale" featuring Trail, Outfitting, Guide, Guest horses and mules.

The 26th annual March spring event celebrates the horses and mules who have packed tourists, trail riders, wild game, and seen untouched places and includes consignments from some of the west's most prominent outfitters.

Stats for 2024 set records as 623 head were offered - 507 horses and mules selling grade (unregistered) - with 25 no sales/pass outs, and a top five average of \$19,800 - that included two buckskins, two roans, and one dun molly mule.

Joining the BLS High Sellers Club, welcome to Hip 202 "Dusty" a 2018 Grade Dun Haflinger Cross Gelding consigned by Ervin Miller, Hulett, WY.

Ride, drive single or double, the gentle, safe to ride or drive gelding had seen lots of miles outside and on the trails. The everything easy gelding brought \$22,500.

Standing 17 hands, the gentle, solid, versatile gelding - ranch, trail ride and guest horse - stayed broke with time off, came picket broke, hobble broke, been ridden in parades, and around dogs and traffic.

Top selling mule and third overall, Hip 363 "Sally" a ten year old Molly offered by Micah Vineyard, Riggins, ID, had been ridden extensively all over the Hells Canyon and Salmon River Canyon, had packed meat, horns, hide, and drug calves to the fire and took grandma to hunting camp.

Suitable for most riders, the nearly perfect molly brought \$19,500.

Billings Livestock was proud to welcome the Wowk Ranch and Miller Horses production offering on Friday evening where 27 head of home bred, home raised draft crosses were offered.

ONLINE - ROPE HORSE COMBO SESSION - HR CHISOLM PEPTO - 2013 AQHA Sorrel Gelding x CGS Pepto x Hes A Peptoboonsmal out of HR Smart Maci Gal x AB Smart Slick. Family, Kid, Head, Heel, Ranch Horse Deluxe. Chicken Wing is that "once in a lifetime" horse you have been waiting for. Chicken Wing stands a bit over 15 hands and weighs around 1150 pounds. He's dead broke and ready to do whatever you ask of him. He's quiet on the ground and calm in the saddle. Here's a horse the whole family can enjoy. He can do it all and he's as safe and dependable as they come. He's won saddles and buckles heading and heeling in team roping. He's packed flags in the arena, our 13 year old daughter has been heading on him in junior rodeos, and he would be a great breakaway horse as well. He's competed in the ranch rodeo events at NILE. He is an exceptional head and heel horse and has been hauled all over. He really shines as a great all around ranch and trail horse. They don't get any better than Chicken Wing in the branding pen. He's bomb proof and loves his job. He has no bottom when it comes to dragging calves to the fire. He's quiet out in the country and on the trail and a super fun horse that everyone will enjoy. He has great eye appeal with a flashy, long sorrel mane and tail. No doubt, you know you are mounted well and his looks just add to the package! This is the kind of horse that the boss shows up on. We present him to you with absolutely no vices and completely sound. VIDEO: Contact Seller. FMI: 406-366-1232. Coggins. AOR5

ONLINE - ROPE HORSE COMBO SESSION - ZANE - 2004 GRADE Red Roan Gelding. Zane is a sharp looking, well made, 15.2 hand red roan gelding. He does have an AQHA registration that goes with him, but as we don't have a current transfer he sells grade. Zane is in great condition for his age, winters well, and is an easy keeper. He has a nice handle on him, a great one hand-neck rein, and is just fun to ride around. He rides out alone or in a group and rides nice in the arena. He can get fresh if you let him sit for a long time, but warm him up when you saddle him the first time and he'll be fine after that, you won't need to warm him up every day. Zane is a finished rope horse on the heading side, but he can be hot in the box. He hasn't done it much in the last couple of years, but he knows his job, tracks great, and he's fast. He's still got a big motor and power for his age, so not recommended for a beginner. He is a gentleman to handle on the ground. He's good to catch, stands tied, loads and hauls, and is good for the farrier and is UTD. Zane does have a scar on his side behind his right elbow but it doesn't bother him as long as you pay

attention to where your cinch lies, he also has a small patchy scar on his neck that is purely cosmetic and hardly noticeable, but it is there. Zane had all last spring and summer off and when we pulled him from pasture in the fall he was a little lame. Couldn't quite nail down what caused it so we gave him the winter off. Pulled him out again early this spring and he's currently been sound every day, but we're selling him as is. Search @BarWHorses on YouTube for videos. VIDEO: Contact Seller. FMI: 406-366-1232. Ranch & Rope

ONLINE ~ ROPE HORSE COMBO SESSION - ZANE - 2004 GRADE Red Roan Gelding. Zane is a sharp looking, well made, 15.2 hand red roan gelding. He does have an AQHA registration that goes with him, but as we don't have a current transfer he sells grade. Zane is in great condition for his age, winters well, and is an easy keeper. He has a nice handle on him, a great one hand-neck rein, and is just fun to ride around. He rides out alone or in a group and rides nice in the arena. He can get fresh if you let him sit for a long time, but warm him up when you saddle him the first time and he'll be fine after that, you won't need to warm him up every day. Zane is a finished rope horse on the heading side, but he can be hot in the box. He hasn't done it much in the last couple of years, but he knows his job, tracks great, and he's fast. He's still got a big motor and power for his age, so not recommended for a beginner. He is a gentleman to handle on the ground. He's good to catch, stands tied, loads and hauls, and is good for the farrier and is UTD. Zane does have a scar on his side behind his right elbow but it doesn't bother him as long as you pay attention to where your cinch lies, he also has a small patchy scar on his neck that is purely cosmetic and hardly noticeable, but it is there. Zane had all last spring and summer off and when we pulled him from pasture in the fall he was a little lame. Couldn't quite nail down what caused it so we gave him the winter off. Pulled him out again early this spring and he's currently been sound every day, but we're selling him as is. Search @BarWHorses on YouTube for videos. VIDEO: Contact Seller. FMI: 406-366-1232. Bluuuuuuue!! Fancy, Fancy Gelding!! Gentle!!

ONLINE SESSION - JKK SMART PLAYBOY - 2017 AQHA Blue Roan Gelding x JRS Law Made Me Blue x Kros Frosty Cowboy out of Val Freckled Lena x Valentines Fire. Blue Doc is a fancy 15.2 hand 1275# blue roan gelding that is gentle and well broke to ride. This gelding was bred and raised by a good friend in our area that is known for raising good looking blue roans. We had the pleasure of training this beautiful gelding back when he was three for Kayla's parents. He was a joy to ride from the start and grown into one nice all around gelding. The past 4 years Kayla's parents have rode Blue Doc at every weekend camping trip they have been on. He's seen every mile of trail at several state parks and camping sites in MN, IA, WI and Eminence, MO. Not only has he excelled out on the trail, but he is no slouch in the arena with the smoothest lope you'll ever sit. Blue Doc is soft, supple, steps right into his leads on cue, stops well and never gets frazzled. We have hauled him to several team sorting and team roping practices this winter. Kayla has been learning to rope slow steers on him and he does an excellent job remaining quiet in the box, tracking to position and giving her an opportunity to catch. We also both rode him many miles on our annual Pony Express ride alongside major highways without a bobble. Blue Doc is a Cowboy Colored gelding that comes with a long resume and is ready for his next owners to enjoy him as much as our family has. Current on dental, deworming, and farrier! ONLINE SESSION - JKK SMART PLAY-BOY - 2017 AQHA Blue Roan Gelding x JRS Law Made Me Blue x Kros Frosty Cowboy out of Val Freckled Lena x Valentines Fire. Blue Doc is a fancy 15.2 hand 1275# blue roan gelding that is gentle and well broke to ride. This gelding was bred and raised by a good friend in our area that is known for raising good looking blue roans. We had the pleasure of training this beautiful gelding back when he was three for Kayla's parents. He was a joy to ride from the start and grown into one nice all around gelding. The past 4 years Kayla's parents have rode Blue Doc at every weekend camping trip they have been on. He's seen every mile of trail at several state parks and camping sites in MN, IA, WI and Eminence, MO. Not only has he excelled out on the trail, but he is no slouch in the arena with the smoothest lope you'll ever sit. Blue Doc is soft, supple, steps right into his leads on cue, stops well and never gets frazzled. We have hauled him to several team sorting and team roping practices this winter. Kayla has been learning to rope slow steers on him and he does an excellent job remaining quiet in the box, tracking to position and giving her an opportunity to catch. We also both rode him many miles on our annual Pony Express ride alongside major highways without a bobble. Blue Doc is a Cowboy Colored gelding that comes with a long resume and is ready for his next owners to enjoy him as much as our family has. Current on dental, deworming, and farrier!
