ONLINE ~ ROPE HORSE SESSION - LENAS DODGE - 2012 AQHA Brown Gelding x Dogger Dawson x Twaynas Dash out of Lenas Vandy Gem x Lenas Sonny Boy. Amigo is a stunning dark bay gelding standing at 15.1 h. This versatile gelding is finished on both ends but truly excels on the heading side. Whether you're roping your first steer or are an experienced roper, he runs hard and flat, stands quite in the box, and pulls hard. He is extremely gentle and can be roped on by experienced ropers and beginners alike. He never has box issues and will never be outran. He has been hauled to many roping's and different arenas and would be a great horse for the whole family. Not only does Amigo shine in the arena, but he is also extremely reliable outside as well. We have used him to move cattle, brand calves, rope bulls, pack and everything in between. He is handy enough to rope a bull, but also gentle enough for our 7-year-old daughter to ride him in the arena and mountains. He has a great disposition and even with time off is the same horse every time you ride him. He is the type of horse you can take to a high number jackpot, put your beginner roper on, or take on a 15-mile pack trip and he will excel in every category. We have also used him to pack flags at PRCA rodeos, he has been patterned on the barrels and has been used by everyone in our family. Amigo truly is a one-of-a-kind horse. He has a small foggy spot on his left eye and flat brow bone from a previous injury, but it does not affect his soundness or performance. If you're looking for a nice rope horse as well as an all-around gelding, this is the one for you. VIDEO: https://youtu.be/OdB_n3xMXxw FMI: 435-232-1815. Coggins. AOR7

ONLINE ~ ROPE HORSE SESSION - TWO EYED CATALENA - 2015 AqHR Dun Gelding x CRI Two eyed Jordan x VLW Ima Drifting Doc out of Prissy Approval x Totally Approved. Registered with American Quarter Horse Registry. Bez has been used as a ranch horse and has drug hundreds of calves to the fire. He is the horse my wife uses in the branding pen and when sorting pairs because he moves slow and is quiet. He was also her go to when she was pregnant because she knew he'd take care of her. He stands 14.2 hands tall and I'm guessing is around 1200 lbs with an O size foot. He's got lots of bone and is as straight as a string and very good to shoe. He's finished in the heeling and breakaway roping and I have headed a handful of steers on him. He scores good and never gets hot in the box, has lots of rate and will run to a cow and get in the ground as hard as you want one too. My 9 and 7 year old kids have ridden him around and tracked the roping sled on him. He's also packed out elk this last fall and does great with time off. He's looking for his forever home and would be a great fit for a high school kid looking for an all-around rope horse that can be used on the ranch as well. Any questions please call and check out all the videos and pictures on our Facebook page Do It Right Performance Horses. VIDEO: Contact Seller. FMI: Remington 406-799-6914. Coggins. AOR12

ONLINE ~ ROPE HORSE SESSION - DOMINO - 2009 GRADE Black Gelding. 14.2hh. My son has used Domino for heeling, breakaway, goat tying and flag race. No silliness, will stand in the box quiet all day and really tracks a calf. He is great to be around and easy to handle. He would be a great horse for a beginner learning to rope. He does have high ring bone that is maintained with injections. VIDEO: <https://youtu.be/E32oHJp2ZQM> FMI: 402-340-1196. Coggins. AOR13

ONLINE SESSION - MAVERICK - 2019 GRADE Black Draft Cross Gelding. Maverick is the perfect mountain horse package: 14.2 hh draft cross gelding, solid build with good bone, steady personality and extensive experience in the Canadian Rockies! He is a gem on the trail - point and go type of horse, having gone through rivers, muddy trails, up mountains and even swam in lakes. He is built for tough riding, and can handle technical trails without missing a beat, carefully picking his foot placement to ensure he and his rider are safe. Maverick is my go to trail horse as he is steady and will not quit on you, happy to work all day. No matter what the mountain trails have surprised him with, he has handled it all like the pro that he is, taking care of his rider. When it's time to take a break, he patiently parks - no dancing, just patiently waiting until it's time to work again. He has a big stride and can walk out and cover ground, while having a smooth rocking-chair lope that is easy to ride. Maverick approaches obstacles

challenges with confidence and bold curiosity. Maverick has been used to check cattle, and is equally unfazed riding through a herd of playful calves. He is the same horse after time off, with no funny business, buck, bolt, or rear. He is an easy keeper, a gentleman for the farrier, stands tied, hobble trained, been hauled extensively (including solo) and hops right in the trailer. Maverick has also had an intro to driving training and while he is not broke to drive as of yet, he would pick it up quickly if his next home pursues this. I recommend him for a confident rider as his big powerful stride may intimidate nervous riders. Minor scar on hind leg from superficial scratch injury when he was younger. Barely noticeable, cosmetic only, fully healed years ago, and has never affected soundness. VIDEO: Contact Seller. FMI: 403-669-7917. Coggins. AO1

ONLINE SESSION - ED - 2019 GRADE Black Gelding. Meet "Ed," a hardworking gelding with real cow sense and grit. This honest ranch horse has been our top pick for daily work for years now. He's put in countless hours dragging calves to the fire, sorting pairs, and pushing cattle through rough country. Built like a quarter horse should be, thick, stout, and coal black, Ed's the kind of horse that can work all day and still have gas in the tank. He's handy in the arena too, but where he truly shines is out on the range doing a cowhand's job. This ain't no parade horse, though he'll sure turn heads with his powerful build and no nonsense presence. Ed's the real deal, seasoned, dependable, and ready to earn his keep on your outfit from day one. Solid on all four corners and built to last! VIDEO: Contact Seller. FMI: 435-557-1139. Coggins. AO2

Black DraftX Gelding

ONLINE SESSION - MAVERICK - 2019 GRADE Black Draft Cross Gelding. Maverick is the perfect mountain horse package: 14.2 hh draft cross gelding, solid build with good bone, steady personality and extensive experience in the Canadian Rockies! He is a gem on the trail - point and go type of horse, having gone through rivers, muddy trails, up mountains and even swam in lakes. He is built for tough riding, and can handle technical trails without missing a beat, carefully picking his foot placement to ensure he and his rider are safe. Maverick is my go to trail horse as he is steady and will not quit on you, happy to work all day. No matter what the mountain trails have surprised him with, he has handled it all like the pro that he is, taking care of his rider. When it's time to take a break, he patiently parks - no dancing, just patiently waiting until it's time to work again. He has a big stride and can walk out and cover ground, while having a smooth rocking-chair lope that is easy to ride. Maverick approaches obstacles challenges with confidence and bold curiosity. Maverick has been used to check cattle, and is equally unfazed riding through a herd of playful calves. He is the same horse after time off, with no funny business, buck, bolt, or rear. He is an easy keeper, a gentlemen for the farrier, stands tied, hobble trained, been hauled extensively (including solo) and hops right in the trailer. Maverick has also had an intro to driving training and while he is not broke to drive as of yet, he would pick it up quickly if his next home pursues this. I recommend him for a confident rider as his big powerful stride may intimidate nervous riders. Minor scar on hind leg from superficial scratch injury when he was younger. Barely noticeable, cosmetic only, fully healed years ago, and has never affected soundness. VIDEO: Contact Seller. FMI: 403-669-7917. Coggins. AO1

Versatile Gelding

ONLINE ~ ROPE HORSE SESSION - LENAS DODGE - 2012 AQHA Brown Gelding x Dogger Dawson x Twaynas Dash out of Lenas Vandy Gem x Lenas Sonny Boy. Amigo is a stunning dark bay gelding standing at 15.1 h. This versatile gelding is finished on both ends but truly excels on the heading side. Whether you're roping your first steer or are an experienced roper, he runs hard and flat, stands quite in the box, and pulls hard. He is extremely gentle and can be roped on by experienced ropers and beginners alike. He never has box issues and will never be outran. He has been hauled to many roping's and different arenas and would be a great horse for the whole family. Not only does Amigo shine in the arena, but he is also extremely reliable outside as well. We have used him to move cattle, brand calves, rope bulls, pack and everything in between. He is handy enough to rope a bull, but also gentle enough for our 7-year-old daughter to ride him in the arena and mountains. He has a great disposition and even with time off is the same horse every time you ride him. He is the type of horse you can take to a high number jackpot, put your beginner roper on, or take on a 15-mile pack trip and he will excel in every category. We have also used him to pack flags at PRCA rodeos, he has been patterned on the barrels and has been used by everyone in our family. Amigo truly is a one-of-a-kind horse. He has a small foggy spot on his left eye and flat brow bone from a previous injury, but it does not affect his soundness or performance. If you're looking for a nice rope horse as well as an all-around gelding, this is the one for you. VIDEO: https://youtu.be/OdB_n3xMXxw FMI: 435-232-1815. Coggins. AOR7
