AND - with volume comes selection and value, too. So shop the horses, make the phone calls, watch the previews, ask the questions...start your sale shopping and find your new ride.

We are set for one big day of previews on Friday, November 27 beginning at 3 p.m. at the HorsePalace Arena, Exit 437 on I-90.

It's indoors, it's climate and ground controlled and it gives our consignors a fair shot to show the horses in a big arena, with commotion, and plenty of interaction. One more stepup - we know previews matter and we provide a professional demonstration to make your buying decisions easier.

SHOWCASE INTERNET SESSION - 3 ways to buy out of this session, in person, online, or via phone bids.

Our Soundess Guarantee

Buy and sell with confidence - Credibility and Dependability are important to us.
At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Saturday Sale and Wednesday Noon for "ShowCase Internet Sale Session" **unless otherwise stated from the block or included in footnotes**. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday in regular session, Wednesday noon in ONLINE portion. **Horses are not sold to pass a post purchase veterinarian exam or "Vet Check" of any type nor is rideability guaranteed**. **Fresh branded or fresh roached mane horses are not eligible for return**. **Examine and shop horses prior to bidding**. What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hit the ground sound on all four, and not to crib. Listen carefully to announcements at time of sale.

14.3hh. Whiskey has all the looks in the world! With his beautiful blue eyes, bald face and bold dun markings he is one classy gelding that turns heads everywhere he goes. Wise beyond his years, Whiskey has a genuine desire to please and comes out with a willing attitude every single day. He is excellent to catch, tie, saddle, mount, shoe, and handle in every way. Whiskey is coming along exceptionally well tracking and roping the hot heels and we don't believe it would take much to transition him onto live cattle. In the arena he lopes nice circles, has a smooth comfortable trot, extends into a beautiful long trot, and has a good stop and backup. He will also side pass over poles with ease. Outside the arena Whiskey is just as enjoyable. He is excellent on the trails, confidently crosses obstacles and takes new experiences in stride. Whiskey is an absolute sweetheart with the looks, mind, and willingness to make someone a really special partner. Whether you're looking for a rope horse prospect, a dependable trail companion, or an all-around gelding to continue developing, Whiskey is ready to go in whichever direction you choose! Chicken

Chicken has been a dependable horse for our family. He carried our kids through high school rodeo as a heel horse before my son took him to college, where he continued heeling and started heading. Most recently, we leased him to a family that continued hauling and roping on him throughout the high school rodeo season. He's also been used extensively on the ranch and is sure-footed in rough country. We believe in being completely honest with our buyers. Chicken will hang back when tied, doesn't like ropes around his feet, and will occasionally crow hop. Despite these quirks, he has remained a dependable high school and college rope horse and a solid ranch horse. VIDEO: Contact Seller. FMI: 208-530-1728. Coggins.

Benny
2023 Grade Bay Crossbred Gelding
Lane Lee Corsica, SD

Introducing Benny, a crossbred gelding standing right around 14.3 hands with big bone and substance. Benny is one to melt your heart and make you want to ride a little longer. Benny takes both leads effortlessly in the arena, lopes cute circles and stays between the bridle reins. Benny has the old soul mentality with a good whoa and a great start to his turnaround. Benny has a very nice foundation in the arena but also shines bright outside too! Outside Benny will go everywhere you point him on a loose rein never hesitating to do what he's told. Crossing logs going up or down steep hills. Navigating through mud and crossing water is no challenge for him. You can side pass up to open and close gates on him, ride him through your cows, take a stroll down the river bed or use him to help halter break colts. I have ponied colts on him, used him to help start colts and flagged cattle up and down the alleys. Benny is a one of a kind guy with just the right style to him if you're still looking for a heavier boned horse that rides like a quarter horse! Benny is 100% sound and gentle and up to date on cares. VIDEO: Contact Seller. FMI: Lane 715-308-6025. Coggins.

Syra
2010 Grade Sorrel Icelandic Mare
Anjuli Bish Beavercreek, OR

Project mare that requires an experienced owner to continue training. Originally from Extreme Farms. Doesn't trust strangers but doesn't have a mean bone in her. Once she knows you she is easy to halter and handle. If she doesnt know you she will avoid but has never offered to kick or be nasty. Leads nicely, ties, picks up feet, baths, trailers. Good on a lounge line and I had even gotten to the point of saddling her and getting on before I had so stop due to my own health problems. She's been out to pasture since. Lovely natural trot. Super sturdy build. Easy keeper. Lead mare in the herd but gets along well and not overly bossy. VIDEO: Contact Seller. FMI: 503-807-2916. Coggins.

A great personality, a willing attitude, and a good mind. This handsome gelding has a lot going for him, and he's the kind that makes you smile, Cowboy has been used extensively outside on the ranch, where he has moved and doctored cattle. He has been exposed to real ranch work and has had the opportunity to get out and see the world. He is well started, smart, and picks things up quickly. Cowboy is the kind that wants to learn and willing! Cowboy has also been used in the arena, He walks, trots, and lopes circles on a loose rein and has a great stop. He is super soft in the face, responds well to leg pressure, and moves off cues. Cowboy is a very smart gelding who listens and tries his very best to please. Even though Cowboy has spent most of his time working outside, he has also been ridden on the trails and has been exposed to different obstacles along the way. He will go over logs and bridges and through the creeks. One of Cowboy's best qualities is his mind. He is smart, willing, and responsive, Cowboy would make a great addition for someone looking for a young, well-started gelding with ranch experience and a good foundation to build on. If you're looking for a handsome cremello gelding with a great mind, a willing attitude, and experience both outside and in the arena, be sure to take a look at Cowboy! VIDEO: Contact Seller. NOTES: ONLINE SESSION – Frito is a beautiful gelding that stands 15hh. He has a great mind and an easygoing personality that makes him a true family horse. From kids to adults, he's the type you can feel confident putting anyone on. He rides both English and Western and has a nice handle in the arena. Frito walks, trots, and lopes with smooth transitions and has all the right buttons without being complicated. Frito's true colors really show with the kids. They love to grab him out of the pasture, hop on bareback, and just play around. He takes it all in stride and is happy to pack them around. I guess you could say he's earned the title of "babysitter." Out on the trail, he is just as dependable. Frito is reliable, trustworthy, and enjoyable for riders of all ages. He'll confidently head down the trail anywhere in the group or alone, over water, around wildlife, over logs and bridges. He is also great with time off. You don't have to keep him ridden every day or in a constant program. Give him some time off, saddle him back up, and he's the same good-minded, dependable Frito you left. On the ground, he's a gentleman. He's good to tie, haul, shoe, and load, and he's easy to handle. He's usually the first one to meet you at the gate, ready for attention and whatever adventure you have planned. He is the kind of gelding every family appreciates having around. NOTES: ONLINE SESSION – Meet Fletch, a sharp-looking, talented chestnut gelding standing 14.3 hands tall. Sired by the legendary 6666 Ranch stallion ROYAL FLETCH, this gelding has the pedigree, athletic ability, and versatility to make him a true standout! Fletch is the kind of gelding that offers a little bit of everything. With a solid reining foundation, he has all the buttons and maneuverability to be a competitive prospect in ranch versatility classes. He is equally handy outside the arena, with experience in team penning, sorting, roping, and working cattle. Whether you're looking for a performance partner or a dependable horse to get the job done on the ranch, Fletch has plenty to offer. One of Fletch's greatest qualities is his ability to adapt to his rider. We've had riders of various ages and experience levels on him, and he has consistently shown that he can adjust to their abilities. He also handles time off exceptionally well, picking right back up where he left off. Not looking to compete? Fletch is just as enjoyable out on the trails! He is a great size for someone who appreciates a smaller, athletic horse without sacrificing ability or performance. Fletch is good to shoe, tie, and load, making him easy to manage in his everyday routine. In the interest of full transparency, if he has been turned out to pasture for an extended period without much human interaction, he can occasionally be a little harder to catch. It is nothing excessive, but something we believe is worth mentioning so his next owner knows exactly what to expect. VIDEO: Contact Seller. FMI: 406-580-3299. Coggins.

Proven and seasoned ranch show mare with earnings, consistent placings at the local, regional and national level through the VRH Rookie, Amateur And Limited Amateur. This mare is great to haul and stall by herself, good with time off, gentle, and unbothered in any environment. Her best event is the ranch trail, never watchy or spooky. Soft and handy in the bridle, excellent mover, great transitions, flying changes, in shape and ready to show. She would make a great step up horse for a youth competitor or carry another rookie or amateur to the national level. Comfortable and proficient around cattle, and nearly always places in the conformation to put you in the all-around. She has also been roped off and used on the ranch. Great on the trail, crosses water and goes all day in any terrain. She requires no special treatment, hasn't had any maintenance, super sound and solid. This is your chance to own a stand out show mare with a good carrier still ahead of her or spoil yourself with a nice bridle horse on the ranch. NOTES: ONLINE SESSION – This is a really nice gelding. This horse is built right and is straight and correct. He has 8 months of training on him. He has been used for two of those months to push cows out in the desert and on the Mountain. He is great on the ground. No buck, no kick, stands for the shoer, just good to be around. He has had a rope swung on him and started on the sled as well as chased some cows around the arena. He would make a great barrel or head horse. NOTES: ONLINE SESSION – Gunner is the fun-sized, 14-hand gelding everyone is looking for. He is handsome, gentle, versatile, and backed by a great mind. He has the disposition to be enjoyed by the whole family while still offering the athletic ability and foundation for someone wanting to pursue bigger goals. Gunner has been used as a 4-H show horse and in both English and Western lessons, giving him experience with a variety of riders and disciplines. In the arena, he is soft, willing, and enjoyable to ride. Outside, he is a dependable trail horse and has been used to move and sort cattle. With his athleticism, cow sense, and willingness, he would also make an excellent roping or ranch versatility prospect. If you need a little help mounting, simply lift your hand where you want him, and he will side over to a mounting block, fence, or other elevated spot and patiently wait for you to get on. Gunner rides English or Western and is the type that can comfortably transition from a relaxed family trail ride to arena work, showing, ranch riding, or performance training. He is gentle enough to inspire confidence yet talented enough to continue developing in whichever direction his next owner chooses. He is easy to catch, good to shoe, loads and hauls well, and stands tied. VIDEO: https://youtu.be/h0EQwf0XHJc?feature=shared FMI: 406-580-3299. Coggins.
