## Our Soundess Guarantee

*Buy and sell with confidence - Credibility  
and Dependability are important to us.*

At Billings Livestock Horse Sales, all horses  
that are ridden through the ring and sell as a  
result of being ridden through the ring, are  
**GUARANTEED SOUND** until Monday Noon  
following the Saturday Sale and Wednesday  
Noon for "ShowCase Internet Sale Session"  
unless otherwise stated from the block or  
included in footnotes. To further define  
our policy, if the horse sells at 6 p.m. on the  
Saturday of our sale, the horse will be guar-  
anteed sound for an additional 42 hours -  
Noon on Monday in regular session, Wednes-  
day noon in ONLINE portion. **Horses are not

fully to announcements at time of sale.

We have exposed him to all kinds of situations and jobs that a good using horse should be comfortable with. He was used to halter break colts this summer, sorted mares and foals, he was used to rope studs this fall, he was used sorting in the sale barn, and he's seen a lot of wide open country. Tonto is very versatile and he's getting to be pretty handy. This horse has been used day in and day out this fall with very few days off. Lucky Horse Productions LLC Gallatin Gate-way, MT

If you're looking for a horse with the color, size, brains, and foundation to go in just about any direction, Bluebell checks a lot of boxes. Bluebell stands 15.1 hands, with a gorgeous blue roan color and the kind of solid, correct build you want in a draft cross. She is straight-legged, wears a size 1 shoe, and is built to last. But what really makes this mare special is her mind. Bluebell is incredibly gentle, willing, and easy to get along with. She's the kind that quickly becomes everyone's favorite around the barn. She is easy to catch, bathe, shoe, load, haul, and handle on the ground. Under saddle, Bluebell has a great start and a solid foundation. She will walk, trot, and lope nicely in the arena and has also logged miles outside on the trails. She handles traffic, bridges, different terrain, and trail obstacles with confidence and a willing attitude. And she doesn't stop there. Bluebell is also started driving, adding even more versatility to an already impressive young mare. At only three years old, she has been given the time and correct foundation to set her up for success. Whether someone wants to continue her as a trail horse, ranch horse, family horse, driving horse, or develop her into something more specialized, she has the size, substance, temperament, and willingness to go just about any direction. Beauty  
2017 Grade Bay Arabian Mare  
Esther Flippo Baker, MT

All her life she had run free on a ranchers land. Her history is unclear. She came to us this past summer with the understanding that we would give her some training and hopefully give her a chance at a good home. She has been a fast learner and is very calm under the saddle. She's been rode in town, and on the ranch. She trailers well and will take you where you need to go. She can be a little mareish but I've never had her kick at another horse, just lay her ears back. Two months into her training I rode her through our county fair parade and she acted like she'd done it 100 times before. She is not as finished as I would have liked her to be but she has a great start and just needs someone to take over her training. Two months into her training my husband and I found out we were expecting again and so that unfortunately put a deadline on me. Just a side note though, about how calm and gentle she is. I have continued her training with being pregnant and have had no worries that she will do something crazy. I think she has the potential to be a great teens or ladies horse as she is a bit smaller. Standing at about 14 hands. I would recommend her as a trail/pleasure horse. VIDEO: Contact Seller. FMI: 406-852-6031. Coggins.

Approximately 7 months of feedlot experience over the past year. He has been exposed to cattle, long days, pressure and regular livestock work, and has also been roped off of. He is a cowy, athletic horse with a solid build, good bone and a strong hip. He has the experience to continue in ranch work, roping, sorting, penning or other cattle work. He stands for the farrier and is good about having his feet handled. He is not a beginner's horse and will need an experienced rider/owner. He is watchy and reactive at times and has kicked when startled. This is something a prospective buyer needs to be aware of and take seriously. He needs someone who is confident and will give him clear, consistent direction. This is a horse that needs a job and does best with consistent use. He is better suited to someone looking for a working horse than someone wanting a quiet, easy-going ride. North Country Quarter Horses • Fred & Linda Finke, Big Sandy, MT  
406.378.3199 www.northcountryquarterhorses.com

North Country Quarter Horses (NCQH) is a family-owned ranch in North Central Montana, owned by Fred and Linda Finke. The ranch is located just West of Big Sandy, MT; 30 miles west of the Bear's Paw Mountains and 45 miles south of the Canadian border. NCQH grazes our horses in rough, rocky, flat terrain year-round. Our herd is exposed to extreme heat and bitter cold. This environment helps to create hardy, tough horses that can thrive anywhere. NCQH also runs a commercial cattle business. We raise our horses to not only perform in the arena at all levels of competition, but to work cattle and cover ground on the ranch.

The stallions at NCQH are well bred AQHA horses that possess good feet and bone, great dispositions, speed, agility, and conformation. We strive to establish excellence in all aspects of a working or performance horse; stamina, eye appeal, talent, and substance. We focus on breeding performance bred stallions to mares that are both performance and ranch prospects. We select mares to complement our stallions in order to find the perfect balance of speed, performance, cow and foundation lines. Our mares must have keen feminine heads, friendly dispositions, quiet minds, good withers, solid feet, big bone, and size. NCQH cattle are run on big native pastures year-round. We calve in May and June and wean in early December. We have a strong conservation ethic here at NCQH. We work very hard to enhance the natural beauty of the area. Striving to be good stewards of God's creation, we mimic a migrating herd by rotating cattle through many large pasture paddocks. We move and work our cattle using our stallions and ranch raised horses. We use traditional methods for branding and herd management in which our horses are used extensively. We not only raise these horses; we use them ourselves on a daily basis.

NCQH invites you to come take a walk through our pastures. Look at our broodmares and meet our stallions. If you are looking for quality horses that can be used on the ranch or to win at any level of competition, this is the place to look. We hope to see you soon.

Beautiful Distraction

Here is a stunning black colt sired by SR Kinenos Badger and out of a young Hancock mare. LF Lafayette is an excellent rope horse prospect and will be your go-to mount on the ranch. Flashy and athletic, he has been an eye-catcher all summer. This colt has the kind of speed and control that is not often seen, especially at this young of an age. LF Lafayette is a ? sibling to LF Rosie the Riveter, another prospect we are proud to offer this year. Backed by a great foundation pedigree, he is expected to mature around 15.1 HH. Barrel racers take note: If you are looking for a palomino with some speed, here is your chance! LF Teddy Roosevelt is a son of PC Frosted Runner and out of a daughter of Black In Da Cash and we think this will be a great cross. This colt has Sunfrost, Dash For Cash, and Doc O'Dynamite up close on his pedigree. His sire, "Runner" is producing attractive foals that are very trainable. "Runner" earns his keep on the ranch as a smooth traveling saddle horse that does very well in the branding pen. LF Teddy Roosevelt is out of a first time mare, but we are very pleased with his muscular build, long legs, and kind eye. He will have some size and should mature to around 15.3 HH. This is "Smoothie's" first crop of foals, so we don't have a lot of history with his offspring. However, Smoothie is smart, athletic, easy to catch, and a pleasure to ride. He is very willing and loves people—especially if you have time to scratch him. We think LF Slightly Above Avg will have the same qualities that make his sire such a great horse. He crosses water, goes through tall grass and through lots of different country. We live in a rocky area so have put shoes on him. He is great to shoe. The kids can mess with his feet as well. **NOTES:** ONLINE SESSION – 15.2hh. Parker has been used on the ranch, been on overnight hunting trips in the mountains, and has started roping in the arena. He is safe with no buck or mean habits. Parker was started in the western pleasure so he is super feely and listens to your legs cues very well. He has a very good handle, walk, trot, and lope. Stops hard, and spins correctly. This horse is built to run, whether you want to continue him on the head side or switch to the barrel pen. This horse has a ton of potential! He had roped a ton of cattle outside, will track very well, and knows how to hold a rope. He puts you in the right spot every time you need to rope something. He is good to shoe, stands tied, loads and trailers well. I have lightly started heading out of the box on him and he could do very well. Whether you are looking for a hunting horse, pleasure horse, rope horse, barrel horse, or a ranch horse, Parker will do it all! VIDEO: Contact Seller. FMI: 307-461-7050. Coggins.

**NOTES:** ONLINE SESSION – Gigalo is a big solid strong made bay gelding stands all of 15.2hh and weighs 1300 pounds. Gigalo has seen lots of ranch miles both gathering and ropin cattle. We took him to the mountains trail riding this summer as well. Crosses water no problem and will go were you point him. Gigalo is also started heading steers in the arena where he shows potential to make a real nice head horse. He is good in the box, has lots of speed to the steer and pulls easy. **NOTES:** ONLINE SESSION – She's only three, but she's already showing you exactly what she wants to be. A Shiny Gun is the kind of young mare that makes you excited about the future. She's already been used outside in the pasture doctoring cattle, roped on, and roped the sled, giving her the kind of real-world experience and foundation you can't manufacture in an arena. She's cowy, athletic, willing, and has a BIG stop that makes you take notice. We could easily see her developing into a breakaway or heel horse, and with her natural ability and desire to work, she's an exciting cutting/cow horse prospect as well. Every ride, she gets a little softer, a little smarter, and a little better. She's not a finished horse—she's something even more exciting: a talented young mare with the foundation laid and her best years still in front of her. Pretty is easy to find. Potential is harder. A Shiny Gun has both. By OSR Cats Boonsmals and out of Shining Sparks Gun, her pedigree carries proven cow-horse influence including Peptoboonsmal, Boonsmals Kandy Man, OSR Cats Golden Pep, Shining Spark, Smoothe As A Cat, and Absolutely Stunning. If you're looking for one to take home, finish your way, and watch turn into something special—don't overlook this mare. VIDEO: Contact Seller. FMI: Josh 406-274-1061. Coggins.

**NOTES:** ONLINE SESSION – We bought Stella 6 years ago at the BLS Horse Sale. Stella is a 21 year old mare, but don't let her age fool you, she is not done and gives it all she has and more! She stands 15 hands and is the sweetest horse you will ever meet. She is ready to take her next person to the top. This horse can have any level of rider on her. She is sweet and loving. Stella has done all of the 4-H events and has been shown at the MN State Horse Show 4 years. She has placed in jumping figure 8, barrels, and has won the pole weaving 4 times! Won the Grand Champion Pole Weaving Buckle 2026 (won the pole weaving champion event out of all grades, 600 some riders). Was 3rd in the jumping figure 8 at the 2026 state horse show. She has placed at most WSCA game shows I have taken her to. She has competed at MN WSCA Champ Show and placed in speed dash and barrels. She has also done numerous jackpot barrel races and rodeos. We have won 11 buckles and a bunch of trophies and awards. She is a consistent 1-2D horse. She has won the 1D youth and open in Granite Falls and won the MN NBHA youth 2D in 2023 (earning a spot at the World Finals in Georgia) and also placed 2nd in youth 2D this year. She has a good stop and can spin. This horse would be perfect as a next level step up for a youth or an adult. She walks off alone and does great on the trails alone or in groups. She has competed in both indoor and outdoor arenas. She excels in showmanship patterns and does very well in ranch riding and ranch pleasure classes. She loads and unloads perfectly. Stands great for the farrier and vet. She is up to date on coggins and vaccinations. **NOTES:** ONLINE SESSION – Riptide is the kind of gelding that makes every ride enjoyable. Standing a solid 15.3 hands, this gentle giant has the foot, bone, and substance to match his exceptional mind. His best quality is willingness. He has always been easy. Easy to handle, easy to ride, and always willing to learn. Riptide has been given a solid, correct foundation and is ready for someone to take him in any direction. In the arena, he walks, trots, and lopes comfortably with smooth gaits and nice transitions. He is equally comfortable English or Western and has the willing attitude to continue developing into whatever discipline his next rider chooses. Outside the arena, Riptide is just as enjoyable. He has plenty of miles on the trails, rides out confidently, and takes new surroundings in stride. He isn't looking for something to spook at and consistently proves himself to be a sensible, willing partner. On the ground, Riptide continues to make life easy. He is good to catch, tie, haul, and shoe, with no vices. Whether you're looking for a horse to continue developing in the arena, enjoy out on the trails, or turn into a dependable all-around partner, Riptide has the mind, size, foundation, and willingness to go just about any direction. A big, handsome gelding with a great mind and the kind of foundation you can build on. VIDEO: Contact Seller. FMI: 406-580-3299. Coggins.

Sugar is a beautiful, sweet-natured gray mare with a history of competing at the 1D level in barrel racing and running 21-second pole bending patterns. She is experienced with hauling to and from races and is best suited for an experienced rider. Sugar has a competitive background in both barrels and poles and may also have potential in other equestrian disciplines. Sugar has recently been shod and received hock injections in June. She may require performance-horse maintenance and should receive a veterinary evaluation before returning to competition. Her bleeding status is unknown and may need further evaluation from a veterinarian. The reason I'm selling her is because I have too many horses and need to down size my herd. Billy has exceeded in ranch work this year by going to brandings, roping calves, and pulling them to the fire. That being said, Billy is still on the green side as he has been put on the back burner, so he is not an old man, woman, or kid horse. He still needs some training and direction. I do believe with time and slow work that he will excel and become a really nice horse. He neck reigns good. He just needs some more work on his face and getting to be bridled up. But all in all, he has a good start on him but needs someone to exceed in training to carry him on. VIDEO: Contact Seller. FMI: 403-741-4228. Coggins.

Fred is a striking, kind, and dependable gelding with the size, presence, and personality everyone looks for. He is exceptionally smooth to ride, easy-going, willing, and uncomplicated. Whatever we ask of Fred, he gives us 120%. Fred has been extensively trail ridden and confidently handles rough terrain, traffic, obstacles, and new surroundings. **Chester**  
2022 Grade Chestnut Pony Gelding  
Broken Star Ranch Ranchester, WY

Chester is gentle and broke. He has seen hundreds of miles all over the ranch and in the mountains. He has been used on week long hunting trips, he has been used day working. He keeps up with the big horses and will do anything a regular horse will. He has roped tons of calves, dragging firewood, drag the sled, open and close gates, he does it all just as good as dads big horses! Chester will also lope beautiful circles in the arena, slide stop, spin, roll back. He has even roped the dummy. He crosses water and rough terrain with ease. Chester is quick footed and very broke so we do not recommend him for a complete beginner. But for someone that can ride he is the funnest little pony around! VIDEO: Contact Seller. **NOTES:** ONLINE SESSION – Trooper is a Cadillac to ride in the branding pen, he'll track and doctor cattle in the pasture all day, and is a pleasure to ride when doing any kind of ranch work. We believe this is where he truly shines. He spent some time with a professional trainer on the head side, but would need a bit more finishing. He's good in the box, and strong on the horn. He's been lightly patterned on the barrels at home, but has not been entered. He would do best in a consistent program, where somebody can make him there number one. This gelding has not had the legs run off him, and would suit a confident youth, or lady. He was born and raised with one owner, he's never been lame or injured and has no blemishes. He's straight legged, built correct and has an excellent amount of bone. His pedigree carries a lot of well-known blood lines with Bar Hemp, On The Money Red, Kits Moon Shadow all on the face of his papers. VIDEO: Contact Seller. FMI: 780-349-1427. Coggins.

Screech  
2007 Grade Black Draft Cross Gelding  
Taylor Russell Fishtail, MT

Screech is an 19 year old, GRADE, Draft Cross ex bucking horse. He was started under saddle in March of 2025, and by early April he was dragging calves to the fire. He's been used for just about everything on the ranch from doctoring to letting a 4 year old boy trot the barrels on him. I've roped bulls and yearlings on him and never bothered him in any way. He's very gentle, quiet, sound, and has had riders of all ages and experience on and never been phased by anything. He is on the slower side which is no fault of his, but will work gates, and wants to watch a cow, just a little slow. I trust him with my 4 year old son, and has even been through a few parades and never taken a wrong step. He can be shoed but has pretty tough feet and never taken a bad step through rugged terrain. He does have a couple old scars on his front and hind left leg from his time as a bucking horse but is not affected by them in any way. VIDEO: Contact Seller. FMI: 806-217-0028. Coggins.

**Anchor**  
2018 Grade Bay Curly Pony Gelding  
Soren Crosina Ponoka, AB; Canada

Ultimate Kids Ranch and Trail Pony!! Anchor is an absolutely adorable Curly Pony standing 12 hh. He is healthy and sound. Anchor is extremely safe! He is gentle on the ground and will follow his little rider around like a big puppy. You can feel confident putting a child on him for their first ride. He is naturally more whoa than go but will go forward willingly with a rider who has the skill to ask and keep him going forward. He has been a very fun partner for our son who has spent countless hours exploring the countryside and loping around the fields on him. Anchor has been used for lessons, trails, petting zoos, parades, goat tail tying. He has been on several week long trips to the Rocky Mountains where he willingly goes through water, over bridges, up and down steep hills, nothing fazes him and he has even crossed a big river. He can keep up to the big horses and really thrives on the trail. He would also thrive on a ranch out checking cows or exploring. Anchor is amazing with any type of obstacle and would have fun doing cowboy challenge or gymkana. Good with ropes and cows. Excellent to lead, load, tie, bath, trim. Will sometimes sneak a bite of grass with a young rider (anti grazing reins) can be easily corrected by an older rider. Anchor had his mane trimmed this summer but it will grow back long and curly. He has a few surface skin scrapes from his herd mates. Hair is growing back. Anchor truly is an amazing little partner! He is a fun pony with a big gentle heart.
